

## Community Relations Meeting July 31, 2012

The meeting was brought to order at 1:00 p.m.

Committee members present: Ann Thoreson, Sheila Wallace, Valerie Harrison, Sophia Platt, John Williams, and Kirby Smith.

### Chili Feed:

Ann and Sheila will chair the event this year.

We should use the left-over soda from the annual picnic.

### Needs for the Chili Feed-

Tent, Tables, and extension cords.

### Shopping-

1 large can of chili

Couple onions

Bottled water

Shredded cheese

\*Don't forget the "Surfside Event" signs. Ask Chuck Smith to put out by noon the day of the event.

### Entertainment-

\*Ann made a motion to pay Ramona Perkins and her band, Inversion, \$75.00 for their services at the Chili Feed. Valerie Harrison seconded the motion. Motion passed 6-0.

All Chili entries should be at Twin Lakes by 12:30 pm, the event starts at 1:00 pm.

### Events:

\*Sophia Platt made a motion to put one person in charge of each event that Community Relations puts on. Each event should have its own person to chair said event. Sheila Wallace seconded the motion. Motion passed 6-0.

Holli suggested that the committee buy a large tote for each event to keep event specific supplies in. The chair of the event would then be responsible to get the tote out of storage and to the committee before the event, for inventory to help in supply shopping for the event. The chair would also be responsible for putting things back in the tote at the end of the event and returning the tote to storage.
