Subject: Emergency Management Committee Reports for July and August; Proposed new charter.

The committee met on July 10, 2012 at 1 PM. Members present: Thomas Palmer, George Miller, Ann Thoreson, John Williams. Our agenda for the meeting was to work on our proposed new charter for the committee, which when finished would be sent to the board for their approval. The various suggestions were made. All members were sent the revised document, which would be voted on at our next meeting.

The August meeting took place on August 14, 2012 at 1 PM in the SHOA boardroom. Members present: Thomas Palmer, George Miller, Ann Thoreson, John Williams. All committee members approved the revised charter for the committee. That revised charter is attached. Invited to this meeting was Kelly Anderson, from the Vancouver, WA office of the Red Cross. She was accompanied by two Red Cross volunteers/interns. She was presenting a plan to hold meetings in September for both Surfside members and for other peninsula residents, to be held at the Ocean Park Fire Department Conference Room in September. Her interest was both providing information about Red Cross in the Emergency response, and to recruit volunteers for training. The training would likely be done in October.
