

R.V. Committee Board Report for June 2012

This committee held a meeting on June 6, 2012.

In attendance were Sophia Platt, Carol Bruce, and David Olson.

We have had no new R.V. complaints in the past two months.  
We discussed adding another Drop Box at the compactor for "Beach Debris Only"  
Richard has been getting a lot of large pieces of styrofoam  
which fills our drop box with non-related Surfside Items.  
Our R.V. Storage area Septic Project will be done soon.  
Our next meeting will be July 11, 2012.

David Olson
