RV Compliance/RV Storage Committee Meeting Minutes

Present: Sophia Platt, Linda Beadle, Jim Meyers, Debbie Richmond, John Williams, and David Olson; Chair

There has been only one R.V. out of compliance, in the past two months.

A motion was made to drop the compactor from our agenda; and by a majority vote of 5-1, we have done so.

This committee will draft a new charter for the R.V. Compliance and R.V. Storage Committee.

Next meeting will be held April 7, 2010, at 9:A.M.
