

R.V. COMPLIANCE AND STORAGE COMMITTEE

MAY 5TH 2010

We have had only one out of compliance R.V. in the past month.
Jim Meyers has sent a letter to correct the problem.

This committee met with George Miller from Land and Buildings to discuss needed repairs to the R.V. storage area.
This committee would like to have the light poles replaced, or repaired. This could be a safety item if not attended to.
We would also like to have the R.V. Dump site updated.

A new R.V. Storage Disclaimer will be reviewed by Jim and Barbara before being sent to Surfside lawyers for approval.

Our new charter is almost complete; thanks to some excellent work by Debbie Richmond and Jim Meyers. We have just a few more issues to resolve before final approval.

This meeting was attended by Jim Meyers, Sophia Platt, Debbie Richmond, John Williams, and George Miller; David Olson Chair.

Our next meeting will be held Thursday June 10, 2010, at 9:00 AM.

Signed David Olson
