## SAVE FOR A "RAINY DAY"!

In these tough economic times, many of us are trying to stretch our dollars and keep our debt as low as possible. The following tips from the National Foundation for Credit Counseling (NFCC), offer easy ways to save:

- Empty the change in your pocket into a jar each night. Pocket change can add up to between \$30 and \$50 a month.
- Cut \$5 a day out of your incidental spending. Mindless spending and impulse shopping take a bigger chunk out of your spending than you might care to admit.
- Resolve to carve \$10 a month from each of five discretionary spending categories. For example:  
**Food:** plan meals in advance and never grocery shop on the run.  
**Eating out:** order water to drink when dining at a restaurant.  
**Utilities:** lower the thermostat at home.  
**Shopping:** stay out of malls, and shop only when an item is needed.  
**Medical:** sign up for one of the discount plans on prescriptions currently being offered by many national drug chains.
- Kick your bad habits. Buying a pack of cigarettes and a lottery ticket each day can add up quickly.
- Eliminate bank fees. Bank with an institution that has ATMs near where you live and work, eliminating any fees assessed by using a machine outside of your network. Don't pay for your checking account when many banks offer free checking with few strings attached. Never overdraw your account.
- Get an insurance check-up. You don't want to be over-insured or underinsured, but if you can handle raising your deductible, it will save you money each month.
- Don't have too much of a good thing. Examine your cell phone package. Are the minutes right for your calling patterns? Look at your cable plan. Are you paying for channels you never watch? Switching to a plan that is right for you yields big savings.
- Stop charging and pay with cash. Studies show that people who pay for their purchases with cash typically save about 20 percent. Therefore, if you put \$1,000 onto a charge card each month, you stand to save big bucks.

For professional help finding hidden money in your budget, call a National Foundation for Credit Counseling member agency. To locate the counselor closest to you, dial (800) 388-2227, or go online to [www.DebtAdvice.org](http://www.DebtAdvice.org). To find a Spanish-speaking counselor, call (800) 682-9832.

## SURFSIDE DEPUTY REPORT DEPUTY T. OSTGAARD

The following are the calls I handled for the week of July 25<sup>th</sup> to July 31<sup>st</sup>, 2013.

For the week I gave 4 traffic warnings and issued 2 citations.

On 07/26 I responded to the area of 350<sup>th</sup> on the beach at the request of Dept. of Fish and Wildlife. It was reported to them that there were three people clam digging. I arrived and observed one female pick up a crab out of a tide pool. I contacted the group and they showed me their license's and they were crabbing, which is legal.

On 07/26 I was contacted by a resident about an open motor home door at 298<sup>th</sup> and I Street. I responded to the area and found a motor home door damaged. I entered the motor home and observed that it had been gone through with items all over the place. The owner arrived for the weekend just as I was checking the motor home. After speaking with him for a minute his father arrived at this motor home directly to the North on another lot. I checked that motor home and it had been broken in to as well. At both motor homes there was damage to the doors and miscellaneous items were missing.

On 07/26 I was dispatched to an address in the 32900 block of G Street. for an intrusion alarm. I arrived and found all the doors and windows to be locked. A construction crew next door stated that no one had been around the house.

On 07/29 I was on patrol when I observed an open door on a travel trailer in the 30500 block of I Street. As I was pulling in to the driveway the lot owner came outside.

On 07/29 I was dispatched to the Worldmark Resort for a 911 hang up. I contacted the front desk and they advised me there were no problems and it was a phone line issue. I was dispatched back to Wordmark again on 07/29 for another 911 hang up. I advised the workers to contact the phone company and try to figure out the issue.
