

WEEKENDER MARCH 5, 2009

Concerned Citizens Meeting

March 14, 2009 – 9:00 A.M.
Surfside Community Room

The Concerned Citizens Committee meets for the purpose of recognizing the concerns of the members of Surfside. However, the group doesn't meet simply to discuss concerns but encourages all who bring their concerns to also bring solutions to the table. This is a positive, proactive, solution oriented group dedicated to doing more than simply complaining about the problems in this community. If you are interested in being a part of such a group, please come to the meeting!

The Fish and Waterways Native Plant Presentation ...

***by Kim Patten and Kathleen
Sayce occurred on Saturday, February

***Good information regarding planting
and maintaining property along the
edges of the waterway was provided
to the members. Thank you Fish and
Waterways Committee.***
