Would like to acknowledge employees who help at the CRC events; ideas: thank you in newsletter; thank you at Volunteer Dinner; provide a thank you lunch that we cook

At next safety meeting recommend reminding people that it is difficult to see them on the side of the road when they wear dark clothing & do not have anything reflective on; with change from Daylight Savings time are seeing many people walking or on bikes & it is very difficult to see them

A couple people have received phone calls advising them a virus has been detected on their computer & directing them to a website; recommend we warn Surfside members to be sure not to provide these callers any information or take any action they ask them to do; Ann will have Laura place a note in the Weekender.
