Emergency Management Committee Meeting
December 16, 2014

Emergency Management Committee Members Present: Clyde Zaidins, John Williams, Amy Becke, Walt Platt

Chairman Zaidins opened the meeting at about 1:00 PM PST. All voted to approve minutes for previous month's meeting.

New Business:

Clyde Zaidins announced that he can't continue as Chairman because he is moving out of state soon. John Williams will serve as interim Chairman for the time being until the Surfside Board assigns a permanent Chair.

Walt Platt was welcomed to the Committee as a new member. He has Fire Department background and experiences which will certainly benefit the Committee and the Community.

SMP: There will be two public meetings in January, John and Amy plan on attending.

Tsunami Evacuation Map and Signage Effort: Representatives from the State's Department of Natural Resources and the County Emergency Management Agency will hold public meetings on inundation maps for our area in Long Beach and Ocean Park on January 9. The Ocean Park meeting will be held at the Fire District 1 station at 7:00 pm. The results of this meeting may impact prior assumptions about high ground areas best suited for evacuation.

The meeting closed at 2:00 pm PST. **The next meeting is scheduled for January 27, 2015 at 1:00 pm PST.**
