

March 20, 2015

Fish and Waterways Committee Meeting

Attendees:

John Purdin, Larry Amundson, Jerry Dunn, Laura Frazier and Gary Williams

Agenda:

- Discussion with Eradipest
 - Have Eradipest look at weeds under water
- Discussion on size / number of trout to plant and where
 - 9 versus 11 inch
 - Cost 9" = \$1.05 versus 11" = \$1.60
 - Committee votes for 9 inch
 - No additional fish for now John to look into what we can plant to fight mesquites.
- Update on Canal cleanup letter to be put in the next newsletter
 - Follow up with Don regarding insert for newsletter regarding Alder trees along waterways.
- Around the room
 - Gary reported trip to Qatar leaving 4/8 and returning around 6/19. Work email given to Laura for contact while gone.
 - Jerry asking question about responsibility of waterway issues
 - John Asked about date of Fishing Derby is held 5/23 Saturday before Memorial Day.
 - John concern over losing money if not spent with big expenses coming up. Possibly putting it in an account to save for when needed such as future dredging.
