

HOW TO TURN YOUR WATER SERVICE ON OR OFF

LOCATE YOUR METER BOX AND YOUR SERVICE VALVE BOX (ROUND GREEN LID).

REMOVE THE SERVICE VALVE BOX LID BY TWISTING AND LIFTING.

YOU MAY NEED TO DIG THE SAND OUT OF YOUR SERVICE VALVE BOX AND USE A FLASHLIGHT TO SEE YOUR HANDLE STYLE. YOUR VALVE WILL EITHER BE AN **X** SHAPE OR WILL BE A LONG HANDLE.

X SHAPE HANDLES USE THIS STYLE VALVE KEY – for sale at the business office.

LONG HANDLES USE THIS STYLE VALVE KEY – for sale at the business office.

The meter valve located upstream of the meter is for the water department's use only and should only be used in an emergency.
