> 1. Sheila W has stepped down as chair but is on leave at this time as a member. John W made a motion to the board and Polly F seconded the motion and all in favor to change the CRC charter to read "Committee will have a chair or 2(two) co-chairs". Louise P and Judy D were nominated by committee members as co-chairs with Maryclare making said motion and Valerie seconding the motion and all in favor!

> 2. Foster Children Christmas Project - as of today we have 14 children to buy presents for and 5 Santa Grams already received! We have \$661 left from last year and discussed buying each child an age appropriate suitcase or duffle for transporting their belongings to and from foster homes rather than using garbage bags! All members agreed! 4 Committee members are purchasing presents for the Santa Grams we received already! A great start!
