When and Who to report crimes in Surfside

Property crimes within Surfside happen occasionally, most commonly the B&E's (Breaking & entering) occur in sheds. They are an easy mark for thieves of opportunity.

If your property has a crime of opportunity such as a shed being broken into & property taken, as soon as you are aware of this crime, you should immediately contact the Pacific County Sheriff's department and report it. You do not have to file a written report, all you must do is to call the non-emergency Sheriff's office phone number (360) 642-9397. They will take your information and assign you a case number. If there was significant property damage you should take a photo of the damage, for your records, and possibly an insurance claim.

If you experience a violent crime, immediately call 911, to report what has occurred and request an officer to respond.

Do not report these crimes to SHOA business office. They can not report these to the Sheriff's department. It is the responsibility of the property owner or victim to report, not our business office staff. They have no authority to report or respond.

Why is this important for our community? The Sheriff's department can not do their job, if they do not know that property crimes are happening within our community. They need the data in order to provide the patrol coverage needed to deter these crimes from occurring.

Property crimes do not require an officer to respond, just you as a property owner to pick up the phone, call, report & receive a case number. That simple.

Let's all do our part in helping Pacific County Sheriff's department to do theirs.

Candace

I, Candace Carteen, believe that ALL SHOA members need to have their voices, wants, needs, and desires heard. That ALL community corrections should be resolved with kindness, understanding, empathy, and love. It is only through complete transparency that this can be achieved. I promise to strive to make our ENTIRE community a well-informed and adaptable place we ALL want to live.

As a Surfside HOA Board of Trustee, I will ensure my decisions are equitable for all members and will strive to instill a sense of community. As a trustee I will endeavor to instill trust, listen to members, and base decisions on needs of our community. I will promote transparency in the governance of the SHOA, and uphold the fiduciary duties. See my resume for information on my experience.

Dick Sperry

Dick

Gene

I have lived on the Long Beach peninsula for more than 22 years and have owned property in Surfside since 2005. I am running for the HOA Board of Trustees because I want more autonomy for members to control their own property. I have the ability to work well with others and come to common sense agreements that would be best for all members of our HOA.

Gene Miller

My wife and I are retired and recently purchased a residence in Surfside with our daughter and son-in-law. We feel it will be a perfect place to spend quality family time in a beautiful setting within a relaxing community. I am very interested in getting acquainted with our Surfside neighbors and becoming involved in the community. I feel I can approach serving on the Board of Trustees without preconceived ideas and biases.

Jim Jones

Jim

I have owned property in Surfside for 28 years and lived here since 2013. Volunteered for Surfside committees and served the last 3 years as a Trustee. I chaired Surfside's Firewise Committee.

As Surfside Treasurer from 2021 to 2022, I have worked diligently to account for funds spent honestly and cost-conscious manner.

I want Surfside to continue to be destination, allowing enjoyment of beaches, recreation regardless of ability, affordable living for retirees and families.

Kurt Olds

Kurt

Libby

I've been a Surfside owner since 2014 and I am highly invested in the well-being of this community. I have been in managements for over 12 years which has allowed me to hone my communications skills in large and small group settings. I am well versed in conflict resolution, and I am an honest and straight forward communicator. I would bring a new perspective and always put the good of the community first.

Elizabeth (Libby) Southerland

I first started coming to the Washington coast in 2002, and purchased property up here within 6 months of my first visit. Retired full time 4 years ago.

I wish to restore honesty, accountability, and communication to this Association. For too long we've been told what to think, and how to act. That is not how a nonprofit corporation is run. The opportunity to restore basic values to this organization must be a priority.

Rick Dunbar

Rick

Ron

I believe we can resolve problems through open and fair discussion. Participants must maintain a respectful attitude to all constructive comments and proposals with sound reasoning and based on fact while keeping in mind the existing governing documents.

I am committed to stay the course working to be part of the solution, not part of the problem, by not applying personal preferences or opinions, but keeping an open mind to constructive input.

Ron Brumbaugh

Scott

I have previously served on the Surfside HOA Board of Trustee, serving as a board member, vice president, and president. I want to serve as I believe in the purpose of our HOA. Of highest importance is our water system. Every board member should have a thorough knowledge of our water system, as this is our largest expenditure and main obligation to our members. While I am open to modifications, I support our covenants.

Scott Winegar

I am excited to run for the Surfside HOA Board of Trustees in 2022 because I feel I can contribute greatly toward improving the organization. My focus will be on respecting members to ensure integrity, transparency and fairness for all. I would work cooperatively toward reasonable solutions with my fellow Board members. We have a great opportunity to enable our dreams of peace and contentment living in Surfside. Please cast your vote for me!

Surfside is in the throes of an episodic re-awakening. Our Environment is changing. Bold steps are needed to plot a course for a bright future where Every member, legacy members, New additions, Part time and future friends are provided all the benefits our Ocean environment has to offer.

The time is now to recognize that Fairness and Equal treatments with respect for changing fragile environment serves everyone and the future.

Steven Wallace

Tom

I have always believed in supporting your community by volunteering to help with the needs of the neighboring families within the community. As a newcomer to Surfside, I feel that I can be the voice of reason and help resolve the divide in our community with fairness and compassion by serving as a Board Trustee. We all live in this beautiful community and should do whatever it takes to protect it.

Surfside Members, the Community Relations Committee would like to hear from you!

The committee plans many events and classes over the year for the members and their guests.

What kind of event or class would you be interested in attending? The following are a few ideas of things we've done in the past or are currently doing.

Spring Plantings -It's a great way to gather the community together to help clean up common areas, plant flowers, and brighten up the neighborhood.

Nature Walks/Guided Hikes – our area is blessed with great landscaping and beautiful parks, nature walks are excellent for health-conscious folks, it's also a great way to get kids and new residents to explore the community.

Summer Cookouts - A summer cookout can be a wonderfully inexpensive way to bring the whole community together. For the most budget-friendly option, turn it into a potluck so that you can have a good variety of food without too much expense.

Garage Sales- Community-wide garage sales are a fun way to clean out those garages, make new friends, and earn a little money for future events.

Arts/Craft Classes – We have had quite a few art events such as Sip n Paint, Holiday card making, Wreath making and Ceramics making classes.

Games Nights – we currently have Bunco once a month

Educational Speakers – new classes on Medicare, wills, and trusts

Beach or Cabana games ie. Volleyball, bocce ball

What fun activities would you participate in? We welcome your ideas! Please email the Surfside office at office@surfsideonline.org or just drop them off at the office.
