## What happened?

If you attended the June 18, 2022, Board of Trustees meeting either in person or via Zoom, please accept our apologies for the early morning confusion. We had technical troubles and did not communicate changes appropriately to you, our members. We outline here what occurred, so you know we intend to address and resolve every issue.

- ◆ On Friday the 17<sup>th</sup>, the board room laptop dropped the room's speakers, microphone, and camera. A solution was not found in time for the meeting. RESOLVED
- ◆ We discovered the laptop did not have a current system restore option. RESOLVED
- ◆ The original meeting link was shared in the Weekender distributed on Thursday. However, we were forced to use a new link. The updated link was put on the website, sent to members via email on Friday afternoon, and sent to office staff. Anyone relying solely on the Weekender had the wrong link. RESOLVED
- ◆ The temporary office manager did not have a Zoom Pro account and could not launch a meeting longer than 40 minutes or post a meeting to a shared calendar. We were forced to use the former Business Manager's account. That account had settings we could not change during the live meeting. RESOLUTION PENDING
- ◆ In the confusion of the morning, the wrong link was used to start registration. Once this was discovered we had to disconnect about seven members who had been accepted to the wrong meeting. Unfortunately, we could not chat with them or tell them there was a new link. We were not quick enough to capture the screen to call them. After we disconnected them there was no record on who had joined the wrong link in our email or Zoom account. Only one member was contacted. RESOLVED
- ◆ At the beginning of the meeting, there was a critical change in the agenda: the candidate Q&A would be AFTER the Board of Trustees adjourned NOT during the meeting. This was not stated clearly for all members in the physical or Zoom audience. This change was not communicated clearly or early enough via all member communication options (website, Weekender, email). RESOLUTION PENDING
- ◆ During the meeting, the Zoom monitor could not chat with attendees. When the Board went into closed session, the physical audience left the room, but the Zoom had to be closed, the monitor told attendees what was about to happen, but not loudly or clearly enough. RESOLUTION PENDING
- ◆ During the Candidate Q&A after the Board meeting, the Zoom monitor was not able to control mute/unmute, pin/unpin, video/no video quickly enough to transition between speakers smoothly. RESOLUTION PENDING

Thank you for your patience and kindness as we make improvements for the future.  
Pauline Hitch, Temporary Office Manager, Surfside HOA

The Surfside HOA business office will be closed this Saturday, June 25, 2022. If you need assistance for services like compactor passes, payments, forms, etc. please make prior arrangements by emailing [office@surfsideonline.org](mailto:office@surfsideonline.org) or by calling 360.665.4171. Thank you.

- C. **Tree, Brush, and Noxious Weeds** - The committee is working on open violations pertaining to trees and noxious weeds.
- D. **Architectural** – The committee is also working on open violations pertaining to the building of unapproved structures that are out of compliance.

- **Motion passed to accept all staff, committee, and trustee reports.**
- Motion to move to closed session was accepted.

**Motions made after Closed Session**

- Motion passed to establish a 4% COLA for wage and salary employees, a 0.5% bonus pool for all wage and salary employees, and a minimum of \$150.00 bonus for part-time employees for the 2023 year.
- Motion passed to adjourn the June 18, 2022, regular board meeting of the Surfside Homeowners Association.
- Adjourn 2:20 p.m.

## Information about the 2022 Annual Elections

- ◆ Surfside HOA has a new election company, American Election Services (AES).
- ◆ Surfside staff and volunteers will not handle completed proxies or floor ballots. Non-member, local ballot counters will be hired to support AES during the meeting.
- ◆ The proxy form is watermarked and shows the member's name, account number and property address.
- ◆ **Photocopies** of proxies **cannot be accepted**. If you need a new proxy, call the business office at 360-665-4171 **after** June 15, 2022. A new, watermarked proxy will be made and mailed to you immediately.
- ◆ A **locked box for proxy forms** is in the business office and only the **elections committee chair** has the key.
- ◆ **Your election packet was mailed Friday, June 3' 2022**. If you do not receive your packet by Wednesday June 15, 2022, please contact the business office at 360-665-4171 to verify your mailing address.
- ◆ **Inside your elections packet you will find:** a meeting agenda with voting instructions, the candidate's statements, your proxy form and a return envelope.
- ◆ Also included is a **notice of proposed, board approved covenant changes**. The annual meeting serves as the hearing for these changes and provides you an opportunity to respond. **There is no vote on these changes.**

### *What is a proxy versus a ballot?*

A **proxy** is a **person** attending a meeting who is authorized to cast a vote on behalf of another person who is not present at a meeting. A **ballot** is a **written form** to cast a vote on whatever issue is being considered at a meeting. A ballot is cast by a Surfside HOA member who is present, or by the member's proxy, if the member is not present.

## Instructions to Complete the Proxy Form

- ◆ **Jim Jones withdrew** his candidacy for trustee after packets were mailed. Please disregard his name on your proxy form.
- ◆ Please **read the voting instructions** located on the **agenda**.
- ◆ **Use the proxy only** if you will not attend the meeting in person.
- ◆ **Sign and date** your proxy form.
- ◆ **Mail your completed proxy** in the return envelope or **deposit** your proxy in the **ballot box** at the business office lobby as soon as possible.
- ◆ If you **attend in person**, you will receive a **floor ballot** and do not need the proxy.

I have owned property in Surfside for 28 years and lived here since 2013. Volunteered for Surfside committees and served the last 3 years as a Trustee. I chaired Surfside's Firewise Committee.

As Surfside Treasurer from 2021 to 2022, I have worked diligently to account for funds spent honestly and cost-conscious manner.

I want Surfside to continue to be destination, allowing enjoyment of beaches, recreation regardless of ability, affordable living for retirees and families.

Kurt Olds

Libby

I've been a Surfside owner since 2014 and I am highly invested in the well-being of this community. I have been in managements for over 12 years which has allowed me to hone my communications skills in large and small group settings. I am well versed in conflict resolution, and I am an honest and straight forward communicator. I would bring a new perspective and always put the good of the community first.

Elizabeth (Libby) Southerland

I first started coming to the Washington coast in 2002, and purchased property up here within 6 months of my first visit. Retired full time 4 years ago.

I wish to restore honesty, accountability, and communication to this Association. For too long we've been told what to think, and how to act. That is not how a nonprofit corporation is run. The opportunity to restore basic values to this organization must be a priority.

Rick Dunbar

Ron

I believe we can resolve problems through open and fair discussion. Participants must maintain a respectful attitude to all constructive comments and proposals with sound reasoning and based on fact while keeping in mind the existing governing documents.

I am committed to stay the course working to be part of the solution, not part of the problem, by not applying personal preferences or opinions, but keeping an open mind to constructive input.

Surfside is in the throes of an episodic re-awakening. Our Environment is changing. Bold steps are needed to plot a course for a bright future where Every member, legacy members, New additions, Part time and future friends are provided all the benefits our Ocean environment has to offer.

The time is now to recognize that Fairness and Equal treatments with respect for changing fragile environment serves everyone and the future.

Steven Wallace

I have always believed in supporting your community by volunteering to help with the needs of the neighboring families within the community. As a newcomer to Surfside, I feel that I can be the voice of reason and help resolve the divide in our community with fairness and compassion by serving as a Board Trustee. We all live in this beautiful community and should do whatever it takes to protect it.

Tom Shannon

Tom

As a Surfside HOA Board of Trustee, I will ensure my decisions are equitable for all members and will strive to instill a sense of community. As a trustee I will endeavor to instill trust, listen to members, and base decisions on needs of our community. I will promote transparency in the governance of the SHOA, and uphold the fiduciary duties. See my resume for information on my experience.

Dick Sperry

I am excited to run for the Surfside HOA Board of Trustees in 2022 because I feel I can contribute greatly toward improving the organization. My focus will be on respecting members to ensure integrity, transparency and fairness for all. I would work cooperatively toward reasonable solutions with my fellow Board members. We have a great opportunity to enable our dreams of peace and contentment living in Surfside. Please cast your vote for me!

## Surfside HOA 2022 Annual Election—American Election Services

Surfside HOA has taken considerable steps to make the 2022 annual elections fair and unbiased. If you read the Operations Manual, you will find the election requires a Designated Election Committee Chairperson (DECC) be hired. After the 2021 election, the long standing DECC retired. Consequently, Surfside HOA was forced to find a replacement DECC, and American Election Services (AES), based in New York, was selected. You may think, “Why do we need AES?” The Board felt compelled to use an outside agency with a different, but reasonable, set of election standards. If you have questions on the election process please read the [Election 2022](#) page of our website. Thank you.

## FIREWISE CHIPPING SITE

### What you CAN bring:

- ⇒ Tree trimmings
- ⇒ Hedge clippings
- ⇒ Flowers and shrubs
- ⇒ Branches - but nothing over 6" in diameter

Did you know...

Prohibited items cost the HOA thousands of dollars in additional disposal fees each year.

### What you CAN'T bring:

- ⇒ Noxious Weeds
- ⇒ Gorse
- ⇒ Scotch Broom
- ⇒ Tansy Ragwort
- ⇒ Blackberry Vines
- ⇒ Ivy
- ⇒ Grass Clippings
- ⇒ Pine needles alone
- ⇒ Stumps
- ⇒ Branches **over** 6" in diameter
- ⇒ Lot clearing materials

The Firewise Program is about making the area around your home an ignition free zone.

***DONATIONS WELCOMED!!***

*If you have a few hours each month to volunteer, we would be pleased to have you as a monitor at the site. If you have a few extra dollars to cover the site fees those are appreciated, too! Give the business office a call at 360.665.4171 for more information on volunteering.*

## RETRACTION

In the June 16, 2022 Weekender on page 5, we incorrectly described the use of email lists by Surfside Preservation. Surfside Preservation did not receive a member list with emails and did not use said list to send email blasts. According to their representative, the contact emails they have were gathered neighbor to neighbor. This may also be the case for Surfside United.

Our apologies for this misinformation and for not verifying the facts. Thank you.

**WANTED**

If you know your way around a grill,  
the Community Relations Committee needs you!

**We need help** manning the grill for the Annual Members Picnic, which follows the Annual Meeting on July 9th. This will *not* be a potluck. We will supply hot dogs, sausages, burgers, salads, chips and desserts (aka cake and cookies), as well as non-alcoholic beverages.

**Please call the office to volunteer as Grill Master, 360.665.4171**

Did you know bears tend to avoid humans? According to the Washington Department of Fish and Wildlife, bears who live near humans often lose their natural fear of us. Sometimes bears see people as providers of food. These “human-food-conditioned bears” may become very aggressive to get a meal and conflicts between bears and people occur.

The primary reason people and bears clash is because humans are sometimes irresponsible

neighbors. When we leave out trash, pet food, “snacks” like candy or corn, bird feeders or camping gear, we distract bears from their natural food supplies and encourage conflicts. Food-conditioned bears become dangerous and often must be killed or relocated.

If black bears live in your area, follow these guidelines to avoid interaction:

- ◆ Don't feed the bears
- ◆ Keep your trash secure
- ◆ Remove other attractants
- ◆ Protect beehives and livestock
- ◆ Install fences and barriers
- ◆ Use temporary scare tactics

### A reminder...

Please do not use the acronym SHOA to represent Surfside HOA.

To our Jewish community *Shoah* is the Hebrew word for “catastrophe”. The word specifically references the killing of nearly six million Jews by Nazi Germany and its collaborators during the Second World War. English-speaking countries more commonly use the word Holocaust, which is Greek for “sacrifice by fire”.

# HOW TO PREPARE YOUR HOME FOR WILDFIRES

WILDFIRE RISK REDUCTION STEPS THAT CAN MAKE YOUR HOME SAFER DURING A WILDFIRE

## ■ VEGETATION MANAGEMENT

### 1. HOME IGNITION ZONES

To increase your home's chance of surviving a wildfire, choose fire-resistant building materials and limit the amount of flammable vegetation in the three home ignition zones. The zones include the **Immediate Zone** (0 to 5 feet around the house), the **Intermediate Zone** (5 to 30 feet), and the **Extended Zone** (30 to 100 feet).

### 2. LANDSCAPING AND MAINTENANCE

To reduce ember ignitions and fire spread, trim branches that overhang the home, porch, and deck and prune branches of large trees up to 6 to 10 feet (depending on their height) from the ground. Remove plants containing resins, oils, and waxes. Use crushed stone or gravel instead of flammable mulches in the **Immediate Zone** (0 to 5 feet around the house). Keep your landscape in good condition.

## ■ FIRE RESISTIVE CONSTRUCTION

### 3. ROOFING AND VENTS

Class A fire-rated roofing products, such as composite shingles, metal, concrete, and clay tiles, offer the best protection. Inspect shingles or roof tiles and replace or repair those that are loose or missing to prevent ember penetration. Box in eaves, but provide ventilation to prevent condensation and mildew. Roof and attic vents should be screened to prevent ember entry.

### 4. DECKS AND PORCHES

Never store flammable materials underneath decks or porches. Remove dead vegetation and debris from under decks and porches and between deck board joints.

### 5. SIDING AND WINDOWS

Embers can collect in small nooks and crannies and ignite combustible materials; radiant heat from flames can crack windows. Use fire-resistant siding such as brick, fiber-cement, plaster, or stucco, and use dual-pane tempered glass windows.

## ■ BE PREPARED

### 6. EMERGENCY RESPONDER ACCESS

Ensure your home and neighborhood have legible and clearly marked street names and numbers. Driveways should be at least 12 feet wide with a vertical clearance of 15 feet for emergency vehicle access.

- Develop, discuss, and practice an emergency action plan with everyone in your home. Include details for handling pets, large animals, and livestock.
- Know two ways out of your neighborhood and have a predesignated meeting place.
- Always evacuate if you feel it's unsafe to stay—don't wait to receive an emergency notification if you feel threatened from the fire.
- Conduct an annual insurance policy checkup to adjust for local building costs, codes, and new renovations.
- Create or update a home inventory to help settle claims faster.

# Architectural Review Committee

Just a reminder if you are planning on installing a fence, a shed, a garage or building a house; ALL building plans must be submitted to the Architectural Committee prior to any construction.

*Pacific County will not approve permitting until the committee has signed off on all plans.*

The committee meets weekly on Tuesdays at 9 a.m. The building packets are on our website at <https://www.surfsideonline.org/forms/> or you can pick one up from the business office. Applications must be received by end of day on Thursdays to make the agenda for the following Tuesday's meeting.

**Due to COVID restrictions please advise if you want to attend the meeting in person.**

**Two (2) sets of plans must be submitted to the committee.** Once approved, you will get a copy of the approved plan so you can take them to the county for their approval and Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines you can find them on our website [www.surfsideonline.org](http://www.surfsideonline.org), under the committee tab, under the Governing Documents you'll see Surfside Restrictive Covenants link or call the business office 360-665-4171 with any questions.
