Candace

I, Candace Carteen, believe that ALL SHOA members need to have their voices, wants, needs, and desires heard. That ALL community corrections should be resolved with kindness, understanding, empathy, and love. It is only through complete transparency that this can be achieved. I promise to strive to make our ENTIRE community a well-informed and adaptable place we ALL want to live.

As a Surfside HOA Board of Trustee, I will ensure my decisions are equitable for all members and will strive to instill a sense of community. As a trustee I will endeavor to instill trust, listen to members, and base decisions on needs of our community. I will promote transparency in the governance of the SHOA, and uphold the fiduciary duties. See my resume for information on my experience.

Dick Sperry

Gene

I have lived on the Long Beach peninsula for more than 22 years and have owned property in Surfside since 2005. I am running for the HOA Board of Trustees because I want more autonomy for members to control their own property. I have the ability to work well with others and come to common sense agreements that would be best for all members of our HOA.

Gene Miller

My wife and I are retired and recently purchased a residence in Surfside with our daughter and son-in-law. We feel it will be a perfect place to spend quality family time in a beautiful setting within a relaxing community. I am very interested in getting acquainted with our Surfside neighbors and becoming involved in the community. I feel I can approach serving on the Board of Trustees without preconceived ideas and biases.

Jim Jones

Jim

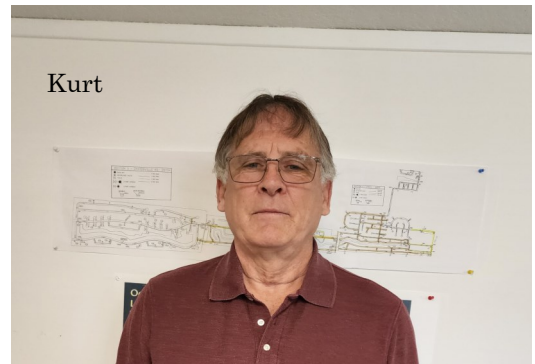

I have owned property in Surfside for 28 years and lived here since 2013. Volunteered for Surfside committees and served the last 3 years as a Trustee. I chaired Surfside's Firewise Committee.

As Surfside Treasurer from 2021 to 2022, I have worked diligently to account for funds spent honestly and cost-conscious manner.

I want Surfside to continue to be destination, allowing enjoyment of beaches, recreation regardless of ability, affordable living for retirees and families.

Kurt Olds

Libby

I've been a Surfside owner since 2014 and I am highly invested in the well-being of this community. I have been in managements for over 12 years which has allowed me to hone my communications skills in large and small group settings. I am well versed in conflict resolution, and I am an honest and straight forward communicator. I would bring a new perspective and always put the good of the community first.

Elizabeth (Libby) Southerland

I first started coming to the Washington coast in 2002, and purchased property up here within 6 months of my first visit. Retired full time 4 years ago.

I wish to restore honesty, accountability, and communication to this Association. For too long we've been told what to think, and how to act. That is not how a nonprofit corporation is run. The opportunity to restore basic values to this organization must be a priority.

Rick Dunbar

Ron

I believe we can resolve problems through open and fair discussion. Participants must maintain a respectful attitude to all constructive comments and proposals with sound reasoning and based on fact while keeping in mind the existing governing documents.

I am committed to stay the course working to be part of the solution, not part of the problem, by not applying personal preferences or opinions, but keeping an open mind to constructive input.

Ron Brumbaugh

I am excited to run for the Surfside HOA Board of Trustees in 2022 because I feel I can contribute greatly toward improving the organization. My focus will be on respecting members to ensure integrity, transparency and fairness for all. I would work cooperatively toward reasonable solutions with my fellow Board members. We have a great opportunity to enable our dreams of peace and contentment living in Surfside. Please cast your vote for me!

Surfside is in the throes of an episodic re-awakening. Our Environment is changing. Bold steps are needed to plot a course for a bright future where Every member, legacy members, New additions, Part time and future friends are provided all the benefits our Ocean environment has to offer.

The time is now to recognize that Fairness and Equal treatments with respect for changing fragile environment serves everyone and the future.

Steven Wallace

I have always believed in supporting your community by volunteering to help with the needs of the neighboring families within the community. As a newcomer to Surfside, I feel that I can be the voice of reason and help resolve the divide in our community with fairness and compassion by serving as a Board Trustee. We all live in this beautiful community and should do whatever it takes to protect it.

A Letter from the Surfside HOA Attorney—Proxies

As Surfside's attorneys, we were consulted regarding how proxies can and should be accepted by the Association for the upcoming annual meeting of the Members. To avoid any concerns regarding the integrity of the proxy and voting process, Surfside had originally intended to require that all proxies be mailed to the outside proxy and voting management firm which Surfside has retained to manage the proxy and voting process.

However, we advised Surfside management that requiring that all proxies be mailed to this outside company was too restrictive and could be inconsistent with applicable state law requirements as well as Surfside's Articles of Incorporation. Specifically, RCW 24.0 3A .430.2(b), which governs proxies for nonprofit corporations like Surfside, states in relevant part "[a]n appointment of a proxy is effective when an executed appointment in the form of a record is received by the inspectors of election, the officer or agent of the membership corporation authorized to tabulate votes, or the secretary." In addition, Section X.2 of the Surfside Articles of Incorporation states in relevant part "[e]ach proxy must be signed by the member and received by the corporation before the vote at which the proxy is to be used."

As a result of these provisions and other applicable authority and the long-standing practice of accepting proxies at the business office, I advised Association management that proxies can be mailed to the outside proxy and voting management firm, can be brought to the annual meeting and given to the representative of that firm or the Secretary of the Association at the beginning of the meeting and can be dropped off at the Association's business office in the days leading up to the annual meeting.

Surfside has acquired a locking drop box for submitting proxies. The box will be kept in the lobby of the business office and available during regular business hours for members to deposit proxies until close of business on Friday July 8th 2022, the day before the annual meeting. The only keys to the lock on the drop box will be kept by Trustee Election Committee members Marriann Schweitzer and Tom Rogers, who will only have access to the drop box during regular business hours of the office.

I encourage all members to either attend the annual meeting or submit a proxy to make your vote count.

Wanted, A Surfside Office Manager

It is with sadness that the resignation of Surfside HOA Business Manager Tracy Lofstrom is being announced. Her resignation was the second in as many weeks of a well-qualified, significant members of the Surfside HOA staff. It is sad, perhaps even criminal, that we have lost our Business Manager and Compliance Officer. There is a vocal minority of discontents posting falsehoods, innuendos, and deceits aimed personally at not only them but other Surfside employees and volunteers who simply and sincerely are trying to do their jobs. Speaking as President for the vast quiet majority of members, let me offer an apology to both you Tracy and Darryl for the vocal minority of followers of a former member who have caused you so much grief and anguish in your employment. The majority of Surfside members should be appalled that somehow these fictitious tales are considered rights of free speech. These acts serve no useful propose. The acts have contributed to a reputation of Surfside Estates to be a difficult or undesirable place to either be an employee or volunteer. These acts affect the ability of the Surfside HOA to find qualified employees and volunteers to make Surfside a better destination or location. These acts also affect property values, which should stir compliant members attention.

We wish both of you Godspeed as you continue your careers on the Long Beach Peninsula. We offer you both excellent references should you seek them. In both cases we hope that your health improves and that your decision to leave Surfside rewards you with peace and prosperity.

Currently on the Surfside HOA Website and the Surfside Facebook page the following advertisement for a temporary replacement is being run:

Seeking Temporary Office Manager

Open Immediately with Employment Duration

Approximately 75 Days or 15 Weeks

Job Description and Application Are Available at the

Surfside Business Office, 31420 H Street, Ocean Park, 98640

For Further Information Contact: Ric Minich at rminich@surfsideonline.org

Tuesday morning, May 17th, the Executive Committee met to discuss a solution for the urgent need to temporarily replace our departing Business Manager. If Surfside was in a major metropolitan area, we would simply call a temporary agency to find some one to fill this position. However, the closest agency to us is in Longview or Aberdeen. The next logical step would be to reach out to the membership of Surfside HOA, a great deal who are retired with management or office supervision experience to see if anyone is interested in serving temporarily while making a decent hourly wage. This temporary position would be open for as long as it takes to complete a thorough search for the next Surfside Business Manager. The duties for the temporary Office Manager are less than that of the Business Manager. The temporary Office Manager's general duties will be to assure all deadlines are met, staff has a leader, administration is administered, etc. Major decisions, disciplinary action, contracts, etc. will be the responsibility of the temporary Office Manager's immediate supervisor, the President of Surfside Board of Trustees. In other words, "the buck stops with the President" who will take the heat. By seeking a Surfside member, relative of a member, or even an Ocean Park or Peninsula resident could perhaps reduce the learning curve of local familiarity. Members, please think of someone (or yourself if interested) or speak to someone who may serve to get Surfside over this immediate void. Surfside will survive this situation, as within the past hours some professionals have reached out to me with support.

Many of the twelve candidates for election this year have listed restoration of harmony in Surfside as one of their priorities. Members, make sure that this is your priority and that the candidate you vote for feels as strongly. Surfside must restore unity, neighborly love, and leaders who feel the same way!

- No activities that might result in somebody's injury, including running on bridges, rough-housing, etc.
- Help others who may not know how to fish.
- Obey the requests from Surfside Bridge Officials. They are there to help ensure your safety.
- The use of corn is strictly prohibited - it kills the fish.
- All fish must be caught during the Derby hours of 8:30-11:30. Return any carp to the canal.
- Adults are encouraged to help their child fish, but the child must be present at all times.
- No adult fishing until the Derby is over.
- For questions during the Derby, ask an official at the bridge or the Surfside Office. They're here to help you even if you've been in the derby or fished before.

Insight for Elders

On behalf of the retirees of Pacific County, we want to announce the inauguration of a new monthly lecture series called **INSIGHT FOR ELDERS**. This lecture series is organized by Tony Pfannenstiel and Kim Patten, WSU Professor Emeritus.

The Mission Statement of INSIGHT FOR ELDERS is to provide opportunity for continued learning for seniors through lectures and discussions on critical topics relevant to their physical, mental and emotional wellbeing. Subjects will include local ecology and geology, legal and financial advice for seniors, habits for living well, recreational opportunities, death and dying, living with pain, and much more. We are hoping these lectures will provide for rousing discussion and opportunities to form a better community.

Scheduling announcements will be made on the Surfside HOA Weekender, the Peninsula Senior Center, and on KMUN, along with other news outlets. We would greatly appreciate it if you would contact us for topics you believe would be important for the local elderly population to explore (Tony 503 720-6786, tonypfan@aol.com or Kim 360-355-7864) . Lastly, if you know of someone who has a certain expertise or knowledge base in a particular subject that might be of interest to Peninsula elders, please let us know.

INSIGHT FOR ELDERS is pleased to announce a lecture by Dr. Clayton Nichols, well known geologist.

The lecture will be held at the Oysterville Schoolhouse on Tuesday, May 24th from 2pm to 4pm.

Dr. Nichols, a former Peninsula resident, will set the stage for a theme of the pluses and minuses of living in a dynamic geologic environment. He will present the geologic history of the Long Beach Peninsula. Then he will concentrate on the specific ways that geology impacts our lives here.

He will characterize the Cascade Volcanoes as a positive feature, especially if you're not a downwinder.

By contrast, he will then discuss the progress that's been made in understanding the seismic and tsunami risks presented by the Cascade Subduction Zone in the last several years. You will not want to miss this important lecture that will for sure educate you on pertinent geologic facts about our beloved Peninsula.

Pacific County Emergency Notification System—Hyper-Reach Link

Be prepared when disaster strikes!! Receive weather and community alerts on your cell phone or in your email. The Surfside Homeowners Association utilizes this emergency notification system in conjunction with water main breaks in Surfside.

In case of a main break or a boil water advisory, we will send out a message via Pacific County's hyper-reach program. You sign up with your cell phone, landline or email. You will also receive a notification that the advisory has been lifted.

Be sure to check Surfside as the municipality or you will not receive the notifications.

When and Who to report crimes in Surfside

Property crimes within Surfside happen occasionally, most commonly the B&E's (Breaking & entering) occur in sheds. They are an easy mark for thieves of opportunity.

If your property has a crime of opportunity such as a shed being broken into & property taken, as soon as you are aware of this crime, you should immediately contact the Pacific County Sheriff's department and report it. You do not have to file a written report, all you must do is to call the non-emergency Sheriff's office phone number (360)642-9397. They will take your information and assign you a case number. If there was significant property damage you should take a photo of the damage, for your records, and possibly an insurance claim.

If you experience a violent crime, immediately call 911, to report what has occurred and request an officer to respond.

Do not report these crimes to SHOA business office. They can not report these to the Sheriff's department. It is the responsibility of the property owner or victim to report, not our business office staff. They have no authority to report or respond.

Why is this important for our community? The Sheriff's department can not do their job, if they do not know that property crimes are happening within our community. They need the data in order to provide the patrol coverage needed to deter these crimes from occurring.

Property crimes do not require an officer to respond, just you as a property owner to pick up the phone, call, report & receive a case number. That simple.

Let's all do our part in helping Pacific County Sheriff's department to do theirs.

Sheriff's non-emergency phone # (360) 642-9397

Update from the Fish & Waterways Management Committee-

Fish will be stocked(fish were stocked at the beginning of May) to Twin Lake, the Canal, & Seabreeze Lake in May In time for the fish to acclimate to our waters & the Kids Fishing Derby May 28th. Reminder NO fishing in March, April, and May. Fishing Season for All begins following the Kids Fishing Derby.

Waterways Management – The committee takes seriously the duty expressed in our Charter, Purpose:

“..... To promote the waterways which are useful for fishing, small boating, and other beneficial uses;” Based on the recommendations of 2 outside, independent fresh water professionals, the F&WM committee members voted at their January meeting to give a pause in 2022 to chemical treatment for weeds this season. At the March Board meeting the HOA Office brought forth a resolution to chemically treat The Canal & Seabreeze Lake. The board voted 8-0 NO (Pres. of Board R. Minich did not vote on this resolution). With this direction from the Board, the committee has sent out RFQ's Request for Quotes to perform periodic 1. water sample tests, and 2. Observations of submersed and surface plant growth. This information will help the committee to decide what actions to recommend to the BOT for next season.

We continue to work on solutions and processes that will provide healthy and safe waterways for members to enjoy!

RV Storage-Compactor Area Update:

Ongoing work at the compactor RV storage area continues. We have received plans for the new RV Dump Station and will be sending out bids to local contractors.

We will be realigning the fence and gate system to improve traffic flow thru the compactor area and access to the new RV Dump station.

The Dry Box Shed in the center of the yard has been removed and the new cardboard recycle container with top has been delivered.

The bid from Pacific County PUD for the new Transformer went out the window when material prices skyrocketed during Covid restrictions, so we are communicating with PUD for current pricing, as well as electrical contractors for the installation of new switchgear and RV power outlets in the storage area.

This work was planned and approved in 2019, then the way we do business changed due to Covid19, and this project was put on hold.

Please remember : This is a Transfer station, not a dumping ground for unwanted items.

Surfside pays to have this garbage and recycled material dealt with. When we load non recyclable materials into the cardboard drop box we are charged an increased rate.

We are set up to handle normal household garbage and some recycling materials:

Cardboard (boxes must be flattened), paper, magazines, recyclable plastic containers, glass bottles and jars.

THE FOLLOWING MAY NOT BE PLACED IN THS DROP BOX:

BUILDING & REMODELING DEBRIS.

TIRES & AUTO PARTS

MATTRESSES-BEDSPRINGS-CARPETS

SHRUB TRIM & LAND CLEARING DEBRIS

LARGE APPLIANCES-RADIOS-TV'S

Thank you!

Architectural Review Committee

Just a reminder if you are planning on installing a fence, a shed, a garage or building a house; ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets weekly on Tuesdays at 9 a.m. The building packets are on our website at <https://www.surfsideonline.org/forms/> or you can pick one up from the business office. Applications must be received by end of day on Thursdays to make the agenda for the following Tuesday's meeting.

Due to COVID restrictions please advise if you want to attend the meeting in person.

Two (2) sets of plans must be submitted to the committee. Once approved, you will get a copy of the approved plan so you can take them to the county for their approval and Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines you can find them on our website www.surfsideonline.org, under the committee tab, under the Governing Documents you'll see Surfside Restrictive Covenants link or call the business office 360-665-4171 with any questions.
