Saturday Office Hours

At the April 16, 2023 regular Board meeting, the Board decided it is no longer cost effective to keep the office open on Saturdays during May 20, 2023 to July 4, 2023 due to the limited member traffic.

If you are coming down on the weekend, just give the office a call and we can set up your permits & passes for pick up. We have a pickup station so you can come at your convenience.

If you are making a payment, we are open Monday -Friday from 9-5, so you can come by during business hours, or just drop the check in the mail.

To reach the office just call 360.665.4171 to set up your passes & permits now.

Duane Needs Your **HELP NOW!**

Shelter life can present challenges the longer a dog lives in this environment. It becomes harder for them to maintain their resilience, which can lead to shelter fatigue. Over time, behavior can deteriorate, making the dog less adoptable.

Duane is showing signs of shelter fatigue.

You can help Duane by providing **foster care**
(or a forever home)

More about Duane:

- Approx. 5 year old male Staffordshire Terrier mix with a goofy smile
- Has been at the shelter for over a year
- Looking for a calm, quiet environment
- Loves car rides with his ears flopping in the wind
- Enjoys playing and chewing on his toys, his current favorite is a candy-corn shaped chew toy
- Loves a belly run & a back scratch
- Would need a 6 foot fence
- Does not like cats or other small creatures (and who can blame him)
- See more on Duane @ <https://beachpets.com/adopt/meet-dogs/>

Shelter provides Foster with:

- Food
- Medical care
- Other supplies as needed (e.g. blanket, bed, leash)
- On-going support during foster

COFFEE TALK WITH YOUR TRUSTEES.
RICK DYER AND RON BRUMBAUGH

COFFEE TALK

FRIDAY, APRIL 21ST AT 2PM., IN THE OFFICE BOARDROOM

Have you lost your keys or phone, sunglasses or reading glasses?

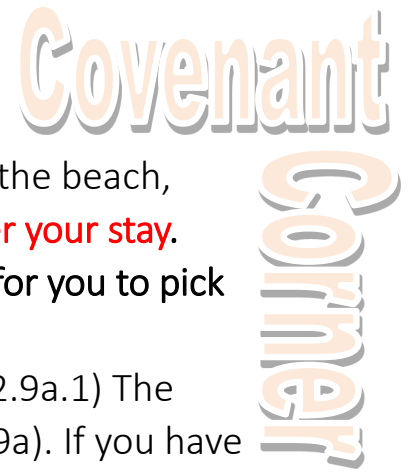

Lost items are often brought into the office, we then label the item and place it in our Lost & Found box.

We have unclaimed phones, keys, glasses and much more.

You can stop by during business hours to see if we have found your lost items.

Office hours are from 9-5, Monday– Friday.

Summer RV Season Started March 15th

It's here! The summer RV season is upon us and that means sun, fun, and permits. If you plan to bring your RV back to your home at the beach, **please stop by the office and get a conditional use permit and register your stay.**

Permits will not be sent via email, but we can arrange to leave them for you to pick up after hours.

The summer use permit is good from March 15th to October 31st (2.9a.1) The **permit must be prominently displayed and visible from the street** (2.9a). If you have no windows facing the street we can laminate the permits for \$1 or supply you with a

plastic sleeve so you can tape the permit to a street-facing side of your rig.

In addition to being a covenant, permits are a safety measure ensuring only owners and their guests are parked on a lot and not squatters. And remember, **all RVs must be registered, licensed, and maintained in a mobile condition at all times** (2.9a). Happy glamping!

Life Safety Project

You can order these address signs from the Pacific County Fire District 1 for only \$20.00, and they will come out and install it for you if you request them to do so.

These address signs help assist EMS when trying to locate your home during an emergency. There has many an instant that the EMS services could not locate the address.

In our Restrictive Covenants, Section 5.13 reads "It shall be the duty of each owner to ensure that the correct street address is posted in an appropriate manner on the property, for public health and safety purposes."

If you don't already have an address at your property this is a quick and easy solution.

In an effort to solve the problem, Pacific County Fire District #1 offers a Lock Box Program. They allow first responders to enter your home in an emergency when people inside your home are unable to open the door or are not present.

Pacific County Fire District No. 1 provides lock boxes which are high security key safes and assists with their installation as a public service to the residents of the community. There is a \$55.00 donation for the lockbox. Residents furnish their own keys to be placed in the box.

For more information contact the Fire Department at (360) 665-4451. The website Pacific County Fire District 1 has a link to the Lock Box agreement. <https://pcfd1.org/wp-content/uploads/2022/12/LOCK-BOX-AGREEMENT-1.doc>

EARTH DAY Saturday, April 22

EPA History: Earth Day

The first Earth Day was in April 1970. It may be hard to imagine that before 1970, a factory could spew black clouds of toxic smoke into the air or dump tons of toxic waste into a nearby stream, and that was perfectly legal. They could not be taken to court to stop it.

How was that possible? Because there was no EPA, no Clean Air Act, no Clean Water Act. There were no legal or regulatory mechanisms to protect our environment.

In spring 1970, Senator Gaylord Nelson created Earth Day as a way to force this issue onto the national agenda. Twenty million Americans demonstrated in different U.S. cities, and it worked! In December 1970, Congress authorized the creation of a new federal agency to tackle environmental issues, the U.S. Environmental Protection Agency.

For more information on Earth Day, visit <https://www.epa.gov/history/epa-history-earth-day#:~:text=The%20First%20Earth%20Day%20in%20April%201970&text=Because%20there%20was%20no%20EPA.iss ue%20onto%20the%20national%20agenda.>
