OREO Needs Your HELP NOW!

Shelter life can present challenges the longer a dog lives in this environment. It becomes harder for them to maintain their resilience, which can lead to shelter fatigue. Over time, behavior can deteriorate, making the dog less adoptable. Oreo is showing signs of shelter fatigue.

You can help Oreo by providing foster care

More about Oreo:

- Approx. 2 year old Border Collie/Akita mix (?)
- Medium sized (50 lbs of love)
- House & crate trained
- Loving & affectionate (does not have separation anxiety)
- Knows several commands: sit/stay, leave it, wait, go to bed
- Would do well in a household without cats or small children & may be dog selective
- See more on Oreo @ <https://beachpets.com/adopt/meet-dogs/>

Shelter provides Foster with:

- Food
- Medical care
- Other supplies as needed (e.g. blanket, bed, leash)
- On-going support during foster

Please contact SPCHS if you are interested in fostering Oreo:

- Complete a foster application @ <https://beachpets.com/long-beach-wa-shelter/foster/>
- Call 360-642-1180 for more information

Summer RV Season Started March 15th

It's here! The summer RV season is upon us and that means sun, fun, and permits. If you plan to bring your RV back to your home at the beach, **please stop by the office and get a conditional use permit and register your stay.** Permits will not be sent via email, but we can arrange to leave them for you to pick up after hours.

The summer use permit is good from March 15th to October 31st (2.9a.1) The **permit must be prominently displayed and visible from the street** (2.9a). If you have no windows facing the street we can laminate the permits for \$1 or supply you with a

plastic sleeve so you can tape the permit to a street-facing side of your rig.

In addition to being a covenant, permits are a safety measure ensuring only owners and their guests are parked on a lot and not squatters. And remember, **all RVs must be registered, licensed, and maintained in a mobile condition at all times** (2.9a). Happy glamping!

Emergency Lock Boxes through Pacific County Fire District #1

In an emergency, every second counts, and valuable time can be lost if your home is locked, and you are unable to answer the door. In an effort to solve the problem, Pacific County Fire District #1 offers a Lock Box Program. They allow first responders to enter your home in an emergency when people inside your home are unable to open the door or are not present.

Pacific County Fire District No. 1 provides lock boxes which are high security key safes and assists with their installation as a public service to the residents of the community. There is a \$55.00 donation for the lockbox. Residents furnish their own keys to be placed in the box.

For more information contact the Fire Department at (360) 665-4451. The website Pacific County Fire District 1 has a link to the Lock Box agreement. <https://pcfd1.org/wp-content/uploads/2022/12/LOCK-BOX-AGREEMENT-1.doc>

A note from the compactor~

Vern is recommending that the clam guts not be put in the dumpsters but could be put to better use if everyone threw them back in the surf. These items can provide food for the natural wildlife.

Also, please do not save up your cardboard for a large run, just bring it as soon as you have it. When you save it, the dumpster fills up and then others can't use it. If you do have a large number of boxes (Truckload or Trailer Load) please let Vern know before you bring it so he can plan accordingly.

Applications must be received by end of day on Thursdays to make the agenda for the following Tuesday's meeting.

Please notify the business office if you want to attend the meeting in person.
