*** Critical area resource land (CARL) requirements (Pacific County Ordinance 180) may apply if you are managing vegetation near waterways. No stump removal or land clearing is allowed without a permit from Pacific County.** For information see:

<https://www.co.pacific.wa.us/dcd/PLNING.htm> or call (360)642-9382.

DISPOSAL OPTIONS:

- Trimming and chipping yourself. Use the material on your lot for paths/landscape/gardens.
- During summer months only, Surfside sponsors a **member's only** chipper site located at 350th and G St. Call the Surfside office for availability at (360) 665- 4171; Usually opened June-August; 10AM – 2PM only Wed & Sat.
- Burning after material has dried is allowed within Pacific Co Fire District guidelines. Burn bans may apply! See more at: <https://pcfd1.org/>
- Haul tree debris to Peninsula Sanitation Service Transfer Station, located at E. 67th Place, off Sandridge Road, Long Beach. (360) 642-2541. Cost is \$25 under 600 pounds; \$80/ton over 600 pounds. See details at: <http://peninsulasanitationservice.com/transfer-site/>
- Haul noxious or invasive weeds to the Pacific County transfer station at E. 67th Place, Long Beach. **They must be bagged separately from other vegetation.** Cost is \$25 for under 325 pounds; over 325 pounds is \$145/ton.
