Greetings from the Surfside Board of Trustees!

We are pleased to inform you about the upcoming 2023 Trustee Elections. You can engage in the election process by attending the annual meeting on July 8, 2023 at 10 AM. If you are unable to attend, you can cast your vote by completing the 2023 Trustee Election Ballot - Proxy.

The 2023 Trustee Ballot will contain your name, address, and a list of the nominated trustee candidates for this year. Please vote for all five (5) open positions. The final voting results will be shared with the membership once all the votes have been tallied by the Designated Election Committee Chairperson (DECC).

To submit your completed 2023 Trustee Election Ballot - Proxy, kindly utilize the return envelope provided or return it to the locked box located at the Surfside Business Office. Please ensure your ballot reaches us no later than July 6, 2023.

To ensure a fair and transparent election process, the Surfside Board has employed an independent individual known as the Designated Election Committee Chairperson (DECC) along with assistants. They will meticulously tabulate all member votes.

Should you have any questions or require clarification regarding the voting process for 2023, please do not hesitate to reach out to our business office. Thank you for your active participation in the Surfside Trustee Elections. Together, we can shape the future of our community.

The 2023 Annual Members Meeting is July 8, 2023 at the Peninsula Baptist Church, 23802 Pacific Way, Ocean Park. Registration is from 8:00 am-9:45 am, the meeting starts at 10:00am.

Office Hours

At the May 20, 2023 Regular Board Meeting, the board decided to maintain the winter office hours from 8:30am -4pm, year round, effective Monday, June 5, 2023. Additionally, the boardroom will be closed from 12-1p, for staff to take their lunch.

Meet the 2023 Board of Trustee Candidates:

The final formal Q&A Meeting will be held Saturday, June 10th at 10am at the Surfside Office. This Q&A Meeting will not follow a Board Meeting and it will be moderated.

Election Committee Update

Surfside Trustee Elections

Once each year Surfside HOA holds elections for trustees who represent the membership on the board of trustees. The board is made up of a total of nine trustee positions. Per the By-laws, trustees serve three-year terms. Each year members vote for 3 trustees with three-year terms. If there are any vacant or open positions these positions are also required to stand for elections at the next annual meeting, for the remaining years of the vacated position. For the July 2023 trustee elections, there are 5 trustee positions members will vote on.

At each annual election of trustees, members will be instructed to vote for all open positions as designated on the election ballot. Members will cast one vote for each of the open positions. The three candidates with the highest vote counts will be assigned to the three-year terms. The fourth highest vote count will receive the next longest partial term, and so on.

Members can only vote if all dues or assessments are paid in full. Membership in the HOA is dependent upon owing a lot in the HOA. If a member owns more than one lot, they are still allowed only one vote. If the membership is owned by more than one person or entity, only one person may vote on an election ballot or submit a proxy vote.

The election packets are sent to members in early June and are to be returned to the to the address listed on the return envelope or business office no later than Thursday, July 6th, by 3pm. Members may also vote in person at the annual meeting on ballots distributed at the annual meeting.

Note to the Membership from the Election Committee

There will not be electronic voting for this years Annual Meeting. The Election Committee will be looking into electronic voting for next year.

DOG SAFETY TIPS DURING SUMMER

PROTECT YOUR DOG FROM THE HEAT AND OTHER SUMMER HAZARDS

- LIMIT OUTDOOR TIME**
Bring water and stay beneath shady spots to minimize sun exposure.
- RUNNING ERRANDS**
Never leave your dog alone inside the car, especially during summer.
- WATER ACTIVITIES**
Watch out for hazards like jellyfish or undertow. Stay close to your dog while in the water.
- PARASITES**
Ask your vet for preventive treatment against fleas, mosquitoes, or ticks and other parasites.
- SUMMER EVENTS**
Summer festivals expose your dog to loud noises, toxic food, and crowds. Your pet would be much safer and more comfortable at home.

PROTECT YOUR DOG FROM PARASITES

SHIELD YOUR PET FROM THESE SMALL BUT TERRIBLE CREATURES

- FLEAS AND TICKS**
If your dog keeps scratching, chewing, and losing hair, apply treatment immediately.
- ANNUAL SCREENING**
Take your dog to the vet for screening once a year. Get him tested for harmful things, and other internal parasites.
- PROPER GROOMING**
Never skip on regular baths and use vet-prescribed grooming products to keep away bugs and fleas.
- UPDATE VACCINE SHOTS**
Boost your dog's immune system by making sure his shots are up to date.
- BE VIGILANT OUTDOORS**
Keep your dog away from contaminated soil, rats and prey, feces and vomit, and other infected animals.

HOT PAWS

Prevent burnt paw pads during summer months: **avoid hot surfaces**

Asphalt, metal, concrete and rocky surfaces can get very hot on a summer day: 10-30 degrees warmer than the ambient air.

- Walk in a grassy area
- Take walks during cooler mornings or evenings
- Buy protective dog boots; styles are available in a variety of sizes and price points
- Signs the ground is burning your pet's paws: repeated lifting of each paw. Test the surface by pressing your hand to the ground for 5 seconds; if it's too hot for you it's too hot for your pet's paws.
- If you suspect your pet has heat-injured paws, visit your vet immediately

2023 Fishing Derby Results

Great Derby and Fun, Food and “All important Fishing” on a beautiful day were had by everyone. Had over 210 people in attendance with 73 fisher - kids from 2 years old to 12 years old participated. 16 fish were caught overall – 4 in Seabreeze Lake and 12 in the canal with the largest fish, a Rainbow Trout, measuring in at 17 3/4 inches. One nice size Bass and one Perch were also caught and the rest Rainbows.

First prize of \$20 dollars, Second prize of \$10 dollars and Third prize of \$5 dollars were given out in each age group. All those who fished went away with other small gifts. The most fish caught by one little girl, (a first time and now life long fisherman) was 3. They were all in the biggest fish category.

A huge thanks to all who helped make it a smile-filled Day! Bob Ludahl, Larry Clark and Mike were all returning veterans and a huge help.

Thanks also to Gil Gonzales and the office team for their help in prep and set up. The rest of the team was made up of 12 friends and family of Chuck and Chris Hewitson. Of course a big thanks to the HOA for their continued financial and fish support of this Derby. Thanks DuWayne Mott also for your years of service heading this up and the time you spent passing the baton!

Thanks to KlineLine Fishing Association in Vancouver, WA who generously contributed 100 (wow!) completely set up Rods and Reels with hooks and bobbers, Spawn FlyFish In Ilwaco for some really nice hats and hooks, Jacks for some fishing tackle and Okies. Lots of smiles made the day worth every bit of the preparation. Thanks to KlineLine Fishing Association each child went away with a brand new rod and reel.

See you all next Year!

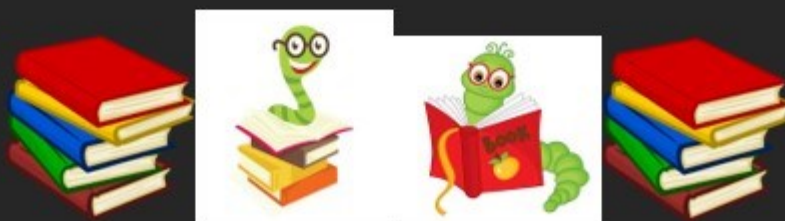

Join in the FUN! If you love reading, you are invited to join Surfside's own book club, SurfReaders! We meet every other month, the first Friday, at the same time and same place. Please drop by!

WHAT: SurfReaders, a Surfside book lovers group

WHEN: Friday, June 2nd, 3-4PM

WHERE: Surfside Office Board Room, 31402 H St.

CURRENT BOOK: The Diamond Eye by Kate Quinn

Safety & Security Committee

The Safety & Security Committee is looking for volunteers. This committee looks at security and safety issues facing the HOA like speeding, assisting with pre-fire plans in conjunction with the Fire Chief, and work with the compliance coordinator for safety issues in the community. Call the office if you are interested in volunteering for this committee. 360.665.4171

RV Committee

The RV Committee has been re-activated by the board and is looking for members. The committee will have their next meeting on Wednesday, June 7th at 10 am.

If you or anyone you know would be interested in attending or joining the committee just let us know. You can call the office at 360.665.4171.

Upcoming Events

- June 10, 2023, 46th Running of Beach to Chowder, <https://raceroster.com/events/2023/71627/46th-running-of-beach-to-chowder>

- July 2023, Music in the Park, Thursday evenings and Saturday afternoon, downtown Long Beach
- August 21-27, International Kite Festival, Bolstad Beach Approach

Pacific County Emergency Management Cert Class

A Cert Class is The Community Emergency Response Team (CERT) Program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations.

There will be CERT Class training on July 15-16, and July 29-30.

If you are interested please call the office at 360.665.4171.

Surfside Emergency Management Committee participates in Washington State and Pacific County Emergency Communications Exercise.

On April 29th Surfside's Emergency Management Committee participated in a Pacific County and Washington State Emergency Communication Exercise. Participating in the event were Amateur Radio Operators Allen Gifford KI7TMQ and David Mullins K4ARP manning the Surfside Communication Center K7SRF. During this exercise, Allen and David demonstrated Surfside's emergency amateur radio station equipment and radio operators' skills to send Voice, Packet Digital Data, and Winlink Radio Email messages to/from local and state officials. No internet or cell phones were used.

Committee members routinely participate in these exercises.

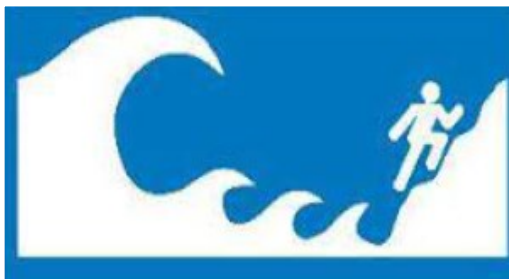

From Scott McDougall,

Director Pacific County Emergency Management Agency

On Saturday, April 29, Pacific County RACES/ARES participated in two statewide exercises (one with the State EOC, one with WSDOT) designed to test our ability to communicate following a disaster. The exercises themselves went very well. As our EC/RO Bob Cline stated "one of the best ever".

The Emergency Management Committee is looking for volunteers. The purpose of the EMC is to identify potential emergency management issues facing Surfside; assess their potential seriousness, frequency and likelihood; identify means for protecting Surfside lives and property from loss or damage; develop recommendations for Surfside members to protect their health and safety; identify measures Surfside can take to protect lives and property in the event of emergencies; work cooperatively with federal, state, and local emergency management agencies and resources; assess the effectiveness of emergency management at all levels; and make improvements.

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office. The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office. Applications must be received by end of day on Thursdays to make the agenda for the following Tuesday's meeting.

Please notify the business office if you want to attend the meeting in person.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.

Thank you!
