What you will need:

To be a member in good standing with a 2023 compactor pass, to provide your street address and time spent collecting debris.

DONATIONS WELCOME!! The Firewise Program is about making the area around your home an ignition free zone.

#### Surfside Healthy Waterways

#### Land, Buildings, and Waterways Committee

During the summer months, the waterways are at increased risk of developing algae blooms which can be toxic to humans, pets, and wildlife. While Surfside HOA has treated Seabreeze Lake for blue green algae in spring 2023, we need to remain vigilant for signs of algae proliferation. As homeowners, we play a big role in wetland protection and health. Protecting a wetland doesn't necessarily require additional effort; often times it is what we don't do that is most important.

Dumping or allowing yard debris into the waterways is detrimental to a safe and healthy aquatic environment. While yard waste is made up of natural materials that will eventually decompose, they can damage a wetland in the process. As they decompose, it causes oxygen depletion, and provides nutrients for the proliferation of blue-green algae. This results in a rotten egg smell and massive algae blooms during the summer.

Fertilizers also represent a potential threat to water sources by providing nutrients that allow blue green algae to thrive. Avoid using fertilizers adjacent to lakes, canals, and streams. Do not add more than the maximum amount posted by the manufacturer, which helps prevent the excess from running into the waterways, as well as saving the homeowner money.

For additional information on Homeowner best practices:

Washington State Department of Ecology "Homeowner's Guide to Wetlands and Buffers"

1406022.pdf (wa.gov)

Greetings from the Surfside Board of Trustees!

We are pleased to inform you about the upcoming 2023 Trustee Elections.

You can engage in the election process by attending the annual meeting on July 8, 2023 at 10 AM. If you are unable to attend, you can cast your vote by completing the 2023 Trustee Election Ballot – Proxy.

The 2023 Trustee Ballot will contain your name, address, and a list of the nominated trustee candidates for this year. Please vote for all five (5) open positions. The final voting results will be shared with the membership once all the votes have been tallied by the Designated Election Committee Chairperson (DECC).

To submit your completed 2023 Trustee Election Ballot – Proxy, kindly utilize the return envelope provided or return it to the locked box located at the Surfside Business Office. Please ensure your ballot reaches us no later than July 6, 2023.

To ensure a fair and transparent election process, the Surfside Board has employed an independent individual known as the Designated Election Committee Chairperson (DECC) along with assistants. They will meticulously tabulate all member votes.

Should you have any questions or require clarification regarding the voting process for 2023, please do not hesitate to reach out to our business office.

Thank you for your active participation in the Surfside Trustee Elections.

Together, we can shape the future of our community.

The 2023 Annual Members Meeting is July 8, 2023 at the Peninsula Baptist Church,23802 Pacific Way, Ocean Park. Registration is from 8:00 am–9:45 am, the meeting starts at 10:00am.

#### Member Motions at the Annual Meeting

If you want to make a motion at the Annual Meeting, please prepare the motion ahead of time. We will have a "Motions Desk" that you can submit your motion to. Motions will be typed up and displayed on the screen for the members to see. Please include your printed first and last name and your Surfside owned property.

Motions regarding covenants would be for the board to review. If the board pursues the change to the covenants, a special hearing would be scheduled so that the entirety of the membership is aware of the proposed change. The Board of Trustees would then vote on that change at the next regular board meeting.

### Fires in Surfside

Summer is here and that means everyone is outside working on their

property. If you are considering clearing your lot, or cutting down trees you'll need to check in with Pacific County on land clearing permits or tree cutting permits. If contracting a business to do the work, please make sure they have secured the proper permits to prevent any fines from Pacific County.

You can visit Pacific County's website at <u>https://www.co.pacific.wa.us/dcd/planning.htm</u> for more information.

In section 2.5 of the Surfside Restrictive Covenants, **Outdoor burning of land clearing debris or construction debris is prohibited.** Small (3-foot x 3 foot) campfires, cooking fires, and natural yard debris fires are permitted provided they meet the criteria for such uses adopted by the Pacific County Fire District #1, and meet the requirements of Section 5.8.

In section 5.8, Owners shall use their platted parcels in such a manner so as not to interfere with the health, safety, and comfort of other property owners. Intrusive lighting, noise, including loud, amplified music, boisterous parties, and smoke from fires that unreasonably interferes with others' enjoyment of life and property are not permitted.

#### As always, never leave an unattended fire burning.

Surfside has a chipping site available to all members in good standing, where you can take your limbs from tree trimming. The chipping site is located at 350th & G St., and is open Wednesdays and Saturdays from 10 am—2 pm. See page 6 for details on the chipping site.

COVENA

## The Oysterville Schoolhouse Artisan Fair July 1st - 2nd and 3rd 10 - 4

watercolor by Joan Taplin

LIVE MUSIC ALL DAY!

SATURDAY- JULY 1st 11-1 Marian DiCicco 1:30- 3:30 Millionth Street

#### Safety & Security Committee

The Safety & Security Committee is looking for volunteers. This committee looks at security and safety issues facing the HOA like speeding, assisting with pre-fire plans in conjunction with the Fire Chief, and work with the compliance coordinator for safety issues in the community. Call the office if you are interested in volunteering for this committee. 360.665.4171 Next meeting is July 20th at 3 pm.

- July 2023, Music in the Park, Thursday evenings and Saturday afternoon, downtown Long Beach
- August 21-27, International Kite Festival, Bolstad Beach Approach

# 9:00 VOLUNTEER JULY AT ANY **MAJOR BEACH** 5тн APPROACH A GRASSROOTS GARBAGE GANG EVENT JOIN@OURBEACH.ORG OURBEACH.ORG O.

# **ARCHITECTURAL COMMITTEE**

#### Plan on installing a fence, a shed, a gazebo or building a garage or a house? REMINDER...

ALL building plans must be submitted to the Architectural Committee <u>prior</u> to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office. The building packets are on our website at <u>surfsideonline.org/forms/</u> or you can pick them up from the business office. Applications must be received by end of day on Thursdays to make the agenda for the following Tuesday's meeting.

Please notify the business office if you want to attend the meeting in person.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

**Two (2) sets of plans must be submitted to the committee.** Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website <u>surfsideonline.org</u>, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.
