Recreational Vehicle Use

COVENANT CORNER

2.9a Provisions Applicable to RVs on All Surfside Lots - Recreational vehicles must be registered, licensed, and maintained in a mobile condition at all times, and shall only be used as specified herein.

A temporary Conditional Use Permit for each vehicle to be placed on a platted parcel must be obtained annually at the Association office.

These permits (decals and/or permits) must be prominently displayed and visible from the street.

2.9a.1 Conditional Use Permits shall be issued as follows: Summer occupancy, from March 15 through October 31, of a recreational vehicle is permitted as a temporary vacation/short term dwelling. It must display a current motor vehicle license and meet all health codes for temporary recreational use. One-time registration at the Surfside business office is required at the first visit each summer. A summer occupancy Conditional Use Permit OR a numbered registration decal will be issued. These shall be placed as stated in 2.9a above.

Winter occupancy, from November 1, through March 14, of a recreational vehicle is permitted as a temporary vacation/short term dwelling. It must display a current motor vehicle license and meet all health codes for temporary recreational use. **During winter visits, recreational vehicles must be occupied. Short term permits shall be issued from the Surfside business office for periods up to 21 days, not to exceed 60 days total, and shall be placed as stated in 2.9a above.**

1.3-"Recreational Vehicle" (RV) shall mean a vehicular type of portable structure without permanent foundation, which can be towed, hauled, or driven and is primarily designed as temporary living accommodation for recreational, camping and travel use and includes, but is not limited to, travel trailers, truck campers, camping trailers, and self-propelled motor homes. RV also includes boats and boat trailers. RV's must be licensed full time for road travel and must be in movable condition within one (1) hour.

WINTER IS COMING

Safety & Security Committee

The committee kindly requests feedback from the members regarding the areas they would prefer the committee to focus on.

You can email your suggestions to Office@surfsideonline.org and we will forward your email to the committee.

If you would like to volunteer on this committee, you can email the request or come down to a committee meeting on the 3rd Thursday of the month at 3pm.

FILLING SANDBAGS MADE EASY

Filling sandbags has always been an arduous, tedious task but no more! Surfside HOA has purchased an *ExpressBagger*® to simplify the task.

Sand bags are available at the HOA office
(360) 665-4171.

Sand and ExpressBagger® are located at the gravel pit at 315h & G St. The bagger is behind the cement wall. Simply move the *ExpressBagger*® next to sandpile and begin filling bags.

Click on this link to see a video on how to use the *ExpressBagger*®.

Please return the *ExpressBagger*® behind the cement wall when finished.

National Fire Prevention Month

Is celebrated every October to raise awareness about fire safety. The 2023 Campaign is "Cooking safety starts with YOU"

Pay attention to fire prevention™," works to educate everyone about simple but important actions they can take to keep themselves and those around them safe when cooking.

Use some of these resources to get you started!

Cooking Safety

On this site, you'll find loads of educational resources, from lesson plans and videos to printables and ready-to-go press releases and social media cards. We want to make sure you have the resources you need to educate your community about safe cooking.

Did you know? Cooking fires are the leading cause of home fires and home fire injuries. Unattended cooking is the leading cause of cooking fires and deaths.

What can you do? The good news is you can prevent most cooking fires and burns. Help keep your family safer with some simple but effective tips.

SURFSIDE AREA NEIGHBORHOOD WATCH

We are a group of concerned residents who want to deter crime in our community by being the “extra eyes and ears” of the Sheriff. Through familiarity with our block neighbors the group will strive to be aware, watching for suspicious activity and reporting it to the authorities. If you are interested in participating in this neighborhood watch partnership, please contact your neighbor at the number or email below.

Pacific County Emergency Notification System

The emergency notification system is a phone based way for PCEMA to contact Pacific County residents in the event of an emergency. Commonly referred to as “reverse 911”, this system can deliver emergency alert messages via landline phone, cellular phone, VoIP phone, or email address. Notifications can be made via voice or text. The system also offers residents the option to indicate whether they may require additional assistance due to physical mobility limitations.

Registering the additional information below with the Community Alerts option will allow your cellular phone, email, and/or TDD to be notified for local emergencies and community alerts as well.

Hyper-Reach will automatically call all landline numbers. You need to sign up for any cell number.

FEEDING THE WILDLIFE

From the Department of Fish & Wildlife

It is NEVER ok to feed the wildlife, including the deer. WDFW state that deer, elk and other wild animals are biologically adapted to survive the cold months with human help.

Artificial feeding can do more harm than help. Deer can die with a belly full of feed they can't digest. Feeding them can also draw them to roads. Leading to collisions with vehicles. It also concentrates animals making them more vulnerable to disease, predators and poaching.

The best way to help wildlife in winter is to avoid disturbing them, allowing them to conserve vital energy.

For more information visit the WDFW at [www.https://wdfw.wa.gov/](https://wdfw.wa.gov/)

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office. The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office. Applications must be received by end of day on Thursdays to make the agenda for the following Tuesday's meeting.

Please notify the business office if you want to attend the meeting in person.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.

Thank you!
