BOARD EMAIL

We would like to remind you about the correct way to email the board. Please send your inquiry to the Office@surfsideonline.org. Once your email is received, it will be logged into our correspondence and forwarded to the Trustees. You will receive an email acknowledging that we have received your email and that is being forwarded to the board. You will then be given a correspondence log number for tracking.

Each Trustee will personally acknowledge that they have read the email. The board will then work together to craft a response, which will be reviewed and approved by all Trustees before being sent back to you.

The process is the same if you send an inquiry via snail mail.

Yoga Class

Yoga classes will be cancelled for December.

Happy Holidays to all!

Winter Driving Tips

INCREASE FOLLOWING DISTANCE
to 8-10 seconds when driving on icy, slippery surfaces.

WHEN DRIVING UP AND DOWN HILLS,
observe how other vehicles are reacting and maintain safe distance.

STEER AND BRAKE
with smooth, careful, and precise movements rather than quick, jerky motions.

DRIVE IN THE LANE
that's been most recently plowed, and avoid changing lanes unless necessary.

DO NOT USE CRUISE CONTROL
when driving on any slippery surface.

TAKE EXTRA CARE
when driving on shaded spots, bridges, overpasses, and intersections.

Compactor

The compactor is a great amenity for the community. We have had a bit of confusion regarding what types of items you can dispose of at the compactor.

- Maintained for the disposal of kitchen or “wet” garbage ·
- Wet garbage or refuse must be sealed in plastic moisture-proof bags ·
- Two 45- gallon bags (or equivalent)

What we do not accept are the following:

- Construction or remodeling refuse.
- Large household items, e.g., rugs, TV’s, mattresses and box springs, appliances or other furniture. Yard debris, e.g., grass, shrub and tree trimmings ·
- **Animal Carcasses are not allowed in the compactor. Disposal must be done at the landfill and the Department of Fish & Wildlife must be notified. (WAC 246-203-121)**

**Compactor Attendant will monitor and enforce proper placing of materials.
If you have any questions or concerns please contact the office at 360-665-4171**

Winter RV Permit

We kindly want to remind you that winter permits are intended solely for occupancy purposes. Unfortunately, winter permits do not cover the storage of RVs on the lots.

If you are planning to visit over the winter, we offer the convenience of requesting a winter permit at any time. You are granted a generous 60-day period to utilize as per your preference. Additionally, permits can be written for a maximum of 21 days at a time, allowing a total of 60 days for your stay.

To accommodate your needs, we are happy to arrange for permit pick-up, even if you are arriving after hours. Alternatively, we can also email the permits to you in advance, ensuring you have them prior to your visit.

Please call the office to request your permit or to just ask questions. 360.665.4171

315th Bridge Closure

The bridge at 315th has been closed due to a car accident. Pacific County will have an inspector come out to survey the damage.

Heading North on I St. you can use H St. at 300th to come to the office or if you are heading South on I St. turn onto 338th and follow it down to 315th.

We do not have a timeline for repairs. We will give updates as we receive them.

We appreciate your patience.

SURFSIDE AREA NEIGHBORHOOD WATCH

We are a group of concerned residents who want to deter crime in our community by being the “extra eyes and ears” of the Sheriff. Through familiarity with our block neighbors the group will strive to be aware, watching for suspicious activity and reporting it to the authorities. If you are interested in participating in this neighborhood watch partnership, please contact your neighbor at the number or email below.

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office. The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office. Applications must be received by end of day on Thursdays to make the agenda for the following Tuesday's meeting.

Please notify the business office if you want to attend the meeting in person.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.

Thank you!
