## 2024 Ocean Beach School District Levy

**What is a levy?** A levy is a request for special funding through property tax collections that are approved by voters to cover the costs of operations that are unfunded state mandates. Levies also provide local schools with the financial support to provide programs that our community expects to be offered to students but are not included in the state's funding for schools.

### The 2024 Levy will be for the following:

- (1) Four-year Replacement Levy for Educational Programs and Operational Expenses that are not funded by the state.
- (2) Four-year Replacement Technology Capital Improvements and Upgrades that covers capital improvements, acquisitions and upgrades to technology, networking, security, and support related to telecommunications systems in the District.

*Ballots will be sent out in late January and must be returned by February 13, 2024.*

You can find more information on the school district's website ([www.ocean.k12.wa.us](http://www.ocean.k12.wa.us)) and click on Community Resources or you can email Superintendent Amy Huntley at [Amy.Huntley@oceanbeachschools.org](mailto:Amy.Huntley@oceanbeachschools.org).

There will be a Q & A at the Surfside Boardroom, January 23rd at 1pm, with School Board member Mark Mansell and former Special Education teacher, Doug Pellerin.

## Compactor

The compactor is a great amenity for the community. We have had a bit of confusion regarding what types of items you can dispose of at the compactor.

- Maintained for the disposal of kitchen or “wet” garbage ·
- Wet garbage or refuse must be sealed in plastic moisture-proof bags ·
- Two 45- gallon bags (or equivalent)

### What we do not accept are the following:

- Construction or remodeling refuse.
- Large household items, e.g., rugs, TVs, mattresses and box springs, appliances or other furniture. Yard debris, e.g., grass, shrub and tree trimmings ·
- **Animal Carcasses are not allowed in the compactor. Disposal must be done at the landfill and the Department of Fish & Wildlife must be notified. (WAC 246-203-121)**

**Compactor Attendant will monitor and enforce proper placing of materials.  
If you have any questions or concerns please contact the office at 360-665-4171**

## Winter RV Permit

We kindly want to remind you that winter permits are intended solely for occupancy purposes. Unfortunately, winter permits do not cover the storage of RVs on the lots.

If you are planning to visit over the winter, we offer the convenience of requesting a winter permit at any time. You are granted a generous 60-day period to utilize as per your preference. Additionally, permits can be written for a maximum of 21 days at a time, allowing a total of 60 days for your stay.

To accommodate your needs, we are happy to arrange for permit pick-up, even if you are arriving after hours. Alternatively, we can also email the permits to you in advance, ensuring you have them prior to your visit.

Please call the office to request your permit or to just ask questions. 360.665.4171

### 315th Bridge Closure Update

The board has reached out to the County Commissioners regarding the status of the bridge closure

They have informed us the county is waiting to hear back from their contracted engineering firm to assess the damage to the bridge before repairs can be scheduled.

Currently we are being told there is a backlog in receiving these services.

We will be communicating with Pacific County on a regular basis sharing any updates as they come in.

#### Detour Directions

Heading North on I St. take a left onto 300th then a right on H St., continue up H St to the office. If you are heading South on I St. turn right onto 338th and follow it around to G St. then take a left onto 315th and a right on H St.

We appreciate your patience.

# SURFSIDE AREA NEIGHBORHOOD WATCH

Next Meeting  
February 1, at  
2pm

We are a group of concerned residents who want to deter crime in our community by being the “extra eyes and ears” of the Sheriff. Through familiarity with our block neighbors the group will strive to be aware, watching for suspicious activity and reporting it to the authorities. If you are interested in participating in this neighborhood watch partnership, please contact your neighbor at the number or email below.

# ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

*Pacific County will not approve permitting until the committee has signed off on all plans.*

The committee meets every Tuesdays at 9 a.m. at the business office. The building packets are on our website at [surfsideonline.org/forms/](http://surfsideonline.org/forms/) or you can pick them up from the business office. Applications must be received by end of day on Thursdays to make the agenda for the following Tuesday's meeting.

**Please notify the business office if you want to attend the meeting in person.**

**If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.**

**Two (2) sets of plot plans must be submitted to the committee.** Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website [surfsideonline.org](http://surfsideonline.org), select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.

Thank you!
