Join Us Today in Supporting Ilwaco!

As our community reels from the catastrophic fire at Ilwaco Landing on January 22nd, many parties are working to address the impact of the devastation.

While the full impact is not yet known, we know the need for relief ranges from urgently outfitting crabbers with replacement pots and gear to longer term financial impact on the crabbers, their crews and related industries.

Our community is pulling together rapidly and many fundraising efforts are underway to provide relief. We at the Pacific Community Foundation are part of those efforts.

Want to help? Make your tax-deductible donations directly to the Ilwaco Crabbers Relief Fund (click here to donate). PCF will cover the cost of credit card fees. As a result, every dollar you donate will be directed to organizations that support those impacted and most in need.

Don't hesitate! Give today!

Water shut-off service

If you have gone for the winter, we can provide a water shut-off service for you. When you are ready to come back, you can give us a call and we can turn the water back on for you.

This is a free service provided by the water department **during business hours, Monday—Friday, 7:30-4 PM. Nights and Weekends are an additional charge.** Please call the office at 360-665-4171.

A Message From The President—Ron Brumbaugh

The concept of electronic voting has been under discussion here in Surfside for sometime. During this period, various members have voiced their doubts and misgivings regarding this new process.

Although certain members assert themselves as experts on the subject, we have sought the guidance and collaboration of a professional management company with experience in implementing electronic voting systems for comparable homeowner's associations. We have chosen to communicate our questions and concerns to this group, believing that a successful execution of this process necessitates the involvement of experienced professionals with prior accomplishments in administering electronic voting within a comparable homeowner's association setting.

We are acting on it, we are being deliberate, careful and cautious. Some would have you believe we aren't doing anything about electronic voting, but we are.

Safety & Security Committee 2023 Report & Questionnaire results

To review the results of the survey, please visit the website at Surfsideonline.org

The flyer features a light beige background with a coffee cup icon and the text 'SURFSIDE HOMEOWNERS ASSOCIATION' in the top left. The main title 'coffee talk' is written in a large, dark brown, cursive font. Below the title is a photograph of a woman with red hair in a ponytail, seen from behind, holding a white coffee cup with a red rim. The website address 'www.surfsideonline.org' is printed vertically on the right side of the photo. At the bottom, the event details are listed: 'With: Trustees John Curran & Dan Bower' and 'TUESDAY, FEBRUARY 13TH, 2pm in the board room'.

WHAT TO PLANT NOW

From Northwest Edible Life

FEBRUARY
THE GARDENER'S YEAR BEGINS

NWEDIBLE.COM AT-A-GLANCE GROW GUIDES

February Tip

Anything you can do to warm the soil at this time of year is good. Low tunnels or cloches will help cold, water-logged soil dry out and begin to warm.

Black or clear plastic - or specialty colored plastic garden mulches - can be pinned over beds to further raise soil temperature in the lead-up to planting.

SURFSIDE AREA NEIGHBORHOOD WATCH

Ocean Park Neighborhood Watch had over 50 people at their first meeting. What about Surfside??

Next Meeting
March 7th, 2pm

We are a group of concerned residents who want to deter crime in our community by being the “extra eyes and ears” of the Sheriff. Through familiarity with our block neighbors the group will strive to be aware, watching for suspicious activity and reporting it to the authorities. If you are interested in participating in this neighborhood watch partnership, please contact your neighbor at the number or email below.

Covenant corner

Did you know that there are only 6 Covenants? Each covenant comprises various subsections. If you navigate to our website's Governing Documents section, you will come across the Covenants. We have thoughtfully connected the index to each of the covenant items. Simply peruse the index, click on the desired item, and it will immediately take you to the corresponding covenant.

When reviewing the covenants, you will come across the regulations or limitations, followed by the listing of exemptions to those regulations or limitations. see the rule or restriction then below will list the exception to that rule or restriction.

Just click this [link](#) so you can review the covenants today.

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office. The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office. Applications must be received by end of day on Thursdays to make the agenda for the following Tuesday's meeting.

Please notify the business office if you want to attend the meeting in person.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.

Thank you!
