2025 Board of Trustee Election ELECTION UPDATE

At the annual meeting on July 12, the independent Designated Election Committee Chairperson, (DECC), ruled that the count of candidate ballots was separated by less than one-half of one percent affecting some candidates. This recount is currently underway and we anticipate receiving a certified tally sheet from the DECC by the end of this week, July 14-18.

At no time does the DECC share voting results until a final certified tally sheet has been verified and tabulated. At this time, no Board member including the Election Committee Chair knows any voting results other than that a recount is required by the DECC.

Operating Procedures #101 - Election, is clear about voting and certification of results.

15.e. After all ballots have been counted by the DECC, if candidates for Trustee are separated by less than one-half of one percent, the DECC will undertake an immediate recount of votes affecting those persons only. (Operating Procedure #101, Section 15.e.)

The DECC is the inspector of elections for Surfside, and shall have no affiliation with the Surfside HOA; nor be related to any Board member of candidate for office. The DECC shall have complete autonomy regarding all aspects of the management proxy and floor ballot voting and tabulation of results and the reporting of said voting.

The rules for conducting our elections are very specific. Members can review all the laws and governing documents that set out general procedures for handling all elections by the Surfside HOA:

1. Washington RCWs 64.38 and 24.03A online
2. Board Policy - Elections
3. Operating Procedure #101 - Elections
4. Committee Charter for the Designated Election Committee Chairperson (DECC)

The DECC conducts the election process in accordance with these rules with oversight by the Surfside Election Committee Chairperson, both of whom are approved by the Board at a regular meeting.

2025 Annual Picnic

A Big **Thank You** to Trina Kirkwood and her team for organizing the 2025 annual picnic! The food was fantastic, the music was fun and lots of Surfside members gathered and had a great time!

ATTENTION—BURN BAN IN EFFECT

BUILDING • ENVIRONMENTAL HEALTH • PLANNING

PRESS RELEASE

OUTDOOR BURNING RESTRICTIONS IN PACIFIC COUNTY

Pacific County will be implementing burning restrictions (Burn Ban) **effective at 12:01 a.m. on Saturday, July 12th, 2025 until further notice.**

The burn ban applies to outdoor debris burning.

Recreational campfires are allowed if built in improved fire pits in designated campgrounds, such as those typically found in local, county, and state parks and in commercial campgrounds. On private land, recreational fires are permitted when built according to the following regulations:

- Recreational fires must be in a metal, stone, or masonry-lined fire pit such as those in improved campgrounds or available at home and garden stores.
- Size may not exceed 3 feet in diameter by 2 feet in height.
- Fires must be at least 25 feet from a structure or other combustible material and have at least 20 feet of clearance from overhead fuels such as tree limbs, patio covers or carports.
- Fires must be attended at all times by a responsible person at least 16 years old who has the ability and tools to extinguish the fire. Tools include a shovel and either five gallons of water or a connected and charged water hose.
- Portable outdoor fireplaces, also known as patio fireplaces, designed to burn solid wood should not be operated within 15 feet of a structure or combustible material and must always be used in accordance with the manufacturer's instructions.
- Completely extinguish recreational fires by covering them with water or moist soil and stirring with a shovel until all parts are cool to the touch.
- Self-contained camp stoves are a safe and easy alternative to campfires.

Please contact your local fire district for further information and also the Washington State Department of Natural Resources for updates on burn restrictions at **1-800-323-BURN** or visit their website at: www.dnr.wa.gov/burn-restrictions. You can also contact ORCAA at **1-800-422-5623** or visit their website at www.orcaa.org.

To contact our office, please call **360-642-9382** for Long Beach or **360-875-9356** for South Bend.

Water Department Information

Water Main Break

In case of a water main break, you will observe a drop in water pressure and all of Surfside will lose pressure!

When this happens, our Water Department has already been contacted and alerted!

A&E Security automatically sends out an emergency alert to the Water Department.

Next steps:

- Isolate the problem, it could be 2, 3 or 4 valves
- Call PUD for locate of power. This can take up to 2 hours and depends on the availability of PUD staff, but this is necessary for safety!
- When locate has been completed, Water Department will proceed to dig up the area.
- Once the valves with the issue are isolated, the pressure will begin to rise.
- Water Department cannot estimate how long the repair will take until they get to the broken pipe.
- Our crew is working as hard and as fast as possible to restore the water for all members in Surfside!
- Special Thanks to the Water Department Crew!

CHIPPER SITE IS OPEN

WEDNESDAYS AND SATURDAYS, 10AM—2PM

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office. **The plans MUST be submitted by Friday at noon to be added to the next week's agenda.** The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office.

Please notify the business office if you want to attend the meeting in person.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.

Thank you!
