Important Message to All Surfside Members

We want to protect your privacy

If you have not yet contacted the HOA office to mark your email address as “unlisted” and “confidential” and you do not wish to have your personal email shared, please send an email to office@surfsideonline.org or stop by the office where we can record your wishes.

Please know that once Surfside will be required by law to release your personal email addresses (starting January 1, 2028), we will have no control over how it will be shared or sold to other entities by another member. We are here to protect your privacy and want to be proactive by preparing your records before the bill goes into effect.

Safety Message

We have to keep our neighborhood safe!

You can help. If you see any suspicious activity, please call the **non-emergency** phone number and report it. If you observe activities at a neighbors house that is supposed to be empty, please call 911 and report it.

Help the Sheriff's Office serve you better by creating a call history for problems that happen within this community.

This helps in a couple of ways. Each call is logged and can help the Sheriff's Office recognize trends that they can identify and provide solutions.

If you are going on vacation and would like the Deputy to patrol your house and property, please come in the office and fill out a request form.

In case of an emergency, please call 911

If you would like to report an incident that does not require immediate assistance, please call the non-emergency number (360) 642-9397.

PRESS RELEASE

OUTDOOR BURNING RESTRICTIONS IN PACIFIC COUNTY

Pacific County will be implementing burning restrictions (Burn Ban) effective at 12:01 a.m. on Saturday, July 12th, 2025 until further notice.

The burn ban applies to outdoor debris burning.

Recreational campfires are allowed if built in improved fire pits in designated campgrounds, such as those typically found in local, county, and state parks and in commercial campgrounds. On private land, recreational fires are permitted when built according to the following regulations:

- Recreational fires must be in a metal, stone, or masonry-lined fire pit such as those in improved campgrounds or available at home and garden stores.
- Size may not exceed 3 feet in diameter by 2 feet in height.
- Fires must be at least 25 feet from a structure or other combustible material and have at least 20 feet of clearance from overhead fuels such as tree limbs, patio covers or carports.
- Fires must be attended at all times by a responsible person at least 16 years old who has the ability and tools to extinguish the fire. Tools include a shovel and either five gallons of water or a connected and charged water hose.
- Portable outdoor fireplaces, also known as patio fireplaces, designed to burn solid wood should not be operated within 15 feet of a structure or combustible material and must always be used in accordance with the manufacturer's instructions.
- Completely extinguish recreational fires by covering them with water or moist soil and stirring with a shovel until all parts are cool to the touch.
- Self-contained camp stoves are a safe and easy alternative to campfires.

Please contact your local fire district for further information and also the Washington State Department of Natural Resources for updates on burn restrictions at **1-800-323-BURN** or visit their website at: www.dnr.wa.gov/burn-restrictions. You can also contact ORCAA at **1-800-422-5623** or visit their website at www.orcaa.org.

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office. **The plans MUST be submitted by Friday at noon to be added to the next week's agenda.** The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office.

Please notify the business office if you want to attend the meeting in person.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.

Thank you!
