RV COMMITTEE—Looking for new members

The committee has the responsibility to ensure that restrictive covenants are adhered to in all matters regarding the use and the storage of recreational vehicles.

If you are interested to join the RV Committee, please call or email the office to sign up. 360.665.4171 or office@surfsideonline.org

SAFETY & SECURITY COMMITTEE

Looking for new volunteer!!

The Safety & Security committee is looking for some volunteer help. We need someone with knowledge of Excel/PDF work. The person would need to organize Excel reports and charts generated by the RadarSign. This requires about 2 hours of work every other week. If this sounds interesting to you or you know someone who might be interested please contact the business office.

Your knowledge and support is important!

Hello Surfside!

Hopefully everyone enjoyed Rod Run this year.

I wanted to share a couple of things with you all.

As many of you have noticed, the speed enforcement is getting a little more serious. When I first started here, I wanted to avoid “shocking” the community by aggressively enforcing the speed limits in Surfside. As time goes on, the “discretion” is getting much closer to the actual speed limit. If you see me flash my lights check your speed! If you don't and you're the one I'm trying to caution, no worries, I'll come chat with ya!

On a lighter note, here are the two best (worst) reason for speeding over the last couple weeks:

“The (McDonalds) burgers are getting cold”

“The deer jump out of the woods too fast”

I'd also like to remind everyone to call the emergency or non-emergency line to report activity that you believe deserves law enforcement attention. I had a gentleman stop next to me this morning to report a “suspicious” bicycle in the area of the mall. I went to the area, but did not locate the bike. Calling WHEN you see something can give law enforcement a fighting chance actually locate the source of the concern.

Stay safe!

Sergeant Parker

WDFW announces 47 tentative days of coastal razor clam digging opportunities beginning Oct. 6

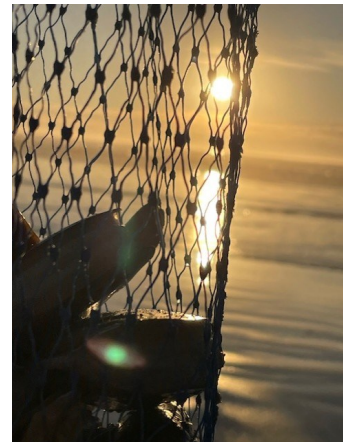

All beach openings are dependent on final approval of marine toxin testing by the Department of Health, which usually occurs about a week or less before the start of each digging series.

"This recreational razor clam season will see similar digging opportunity to the past two years, with a full digging schedule again for this fall," said Bryce Blumenthal, a WDFW coastal shellfish biologist. "The tides this year will allow for clam gathering opportunity in the lead up to the Thanksgiving and Christmas holidays, along with harvestable daylight digs for the late afternoons of New Year's Eve and New Year's Day."

[For more information, refer to the news release](#)

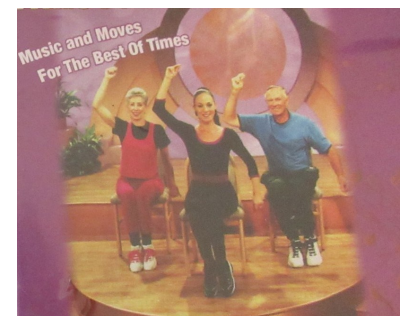

Tentative dates during late afternoon/evening (noon to midnight only) low tides:

- Oct. 6, Monday; 6:35 p.m.; -0.2 feet; Long Beach, Twin Harbors, Mocrocks
 - Oct. 7, Tuesday; 7:18 p.m.; -1.0 feet; Long Beach, Twin Harbors, Mocrocks
 - Oct. 8, Wednesday, 8:02 p.m.; -1.4 feet; Long Beach, Twin Harbors, Copalis
 - Oct. 9, Thursday, 8:49 p.m.; -1.5 feet; Long Beach, Twin Harbors, Copalis
 - Oct. 10, Friday, 9:40 p.m.; -1.3 feet; Long Beach, Twin Harbors, Mocrocks
 - Oct. 11, Saturday, 10:37 p.m.; -0.8 feet; Long Beach, Twin Harbors, Mocrocks
 - Oct. 12, Sunday, 11:41 p.m.; -0.2 feet; Long Beach, Twin Harbors, Copalis
-
- Oct. 20, Monday, 6:40 p.m.; 0.2 feet; Long Beach, Twin Harbors, Copalis

Cape Disappointment State Park to close for major renovations until 2026

Cape Disappointment State Park, one of Washington's most visited parks, will undergo significant renovations starting Sept. 16. The closures are expected to last until spring 2026, park officials said.

The project aims to enhance the park's infrastructure, focusing on improvements to the entrance, roads, and trails, according to park officials. The planned work includes replacing a culvert on the road used to access the campground.

July 09, 2025

PRESS RELEASE

OUTDOOR BURNING RESTRICTIONS IN PACIFIC COUNTY

Pacific County will be implementing burning restrictions (Burn Ban) **effective at 12:01 a.m. on Saturday, July 12th, 2025 until further notice.**

The burn ban applies to outdoor debris burning.

Recreational campfires are allowed if built in improved fire pits in designated campgrounds, such as those typically found in local, county, and state parks and in commercial campgrounds. On private land, recreational fires are permitted when built according to the following regulations:

- Recreational fires must be in a metal, stone, or masonry-lined fire pit such as those in improved campgrounds or available at home and garden stores.
- Size may not exceed 3 feet in diameter by 2 feet in height.
- Fires must be at least 25 feet from a structure or other combustible material and have at least 20 feet of clearance from overhead fuels such as tree limbs, patio covers or carports.
- Fires must be attended at all times by a responsible person at least 16 years old who has the ability and tools to extinguish the fire. Tools include a shovel and either five gallons of water or a connected and charged water hose.
- Portable outdoor fireplaces, also known as patio fireplaces, designed to burn solid wood should not be operated within 15 feet of a structure or combustible material and must always be used in accordance with the manufacturer's instructions.
- Completely extinguish recreational fires by covering them with water or moist soil and stirring with a shovel until all parts are cool to the touch.
- Self-contained camp stoves are a safe and easy alternative to campfires.

Please contact your local fire district for further information and also the Washington State Department of Natural Resources for updates on burn restrictions at **1-800-323-BURN** or visit their website at: www.dnr.wa.gov/burn-restrictions. You can also contact ORCAA at **1-800-422-5623** or visit their website at www.orcaa.org.

To contact our office, please call **360-642-9382** for Long Beach or **360-875-9356** for South Bend.

WATER TURN ON/OFF

The Surfside Water Department is happy to either turn your water on or shut it off, between the hours of 8am to 3:30pm. Please remember to call the business office ahead of time during normal business hours and we can make a work order to have this service done for you at no charge. The after hours phone number for the Water Department is for water emergencies only.

SEABREEZE LAKE

We do not have an update on the water quality but wanted to keep the members informed. Testing will take place within the next couple of weeks. We will post new information when it becomes available.

How can you help?

Now is the time when you typically would fertilize your lawn.

Please reconsider and limit the use of fertilizers!

Fertilizers contribute to the growth of algae in the Seabreeze Lake and Canal.

Please also maintain your Septic Systems periodically!

Thank you!

REMINDER

Before building a fence or anything else on your property you need to fill out an Architectural Committee Packet and submit that to the office. If you are unsure if you need approval from the HOA please feel free to give the office a call.

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office. **The plans MUST be submitted by Friday at noon to be added to the next week's agenda.** The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office.

Please notify the business office if you want to attend the meeting in person.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.

Thank you!
