Surfside Water Department—Update

During the storm on Tuesday night, in the early hours of Wednesday morning, our Water Department experienced a loss in water pressure as well as a water main break.

Both issues have been resolved. The Department of Health has been notified and they confirmed that the work was performed in a perfect and safe way and they did NOT require a Boil Water Alert.

The water is safe to use!

Our Water Department Staff worked extremely hard through the stormy night and in miserable weather conditions to restore the water service.

We like to thank all of them for their hard work!

ELECTION COMMITTEE

UPDATE ON FLOOR MOTION BALLOTS

We sincerely apologize for the bungled mailing of the floor motion ballots. We began working with the print/mailing shop on October 28 and were assured that the ballots could be mailed on November 17. After five phone calls between November 14 -19, we were notified on November 19 that the staff member who had been working with us was no longer with their company. After more emails with the print shop, on December 1 we were assured that the mailing would be out the door in a couple of days.

The first ballot mailing to all members was on December 4. We then discovered the print shop had mixed up some physical property addresses with mailing addresses. After numerous calls with them, on December 11 a second ballot mailing with corrected mailing addresses was sent to members with the wrong mailing address.

If you have received two ballots, please use the BLUE COLORED BALLOT to vote and return it in the reply envelope. The second mailing included a PINK COLORED BALLOT. Only one ballot per property will be counted, so please do not vote both ballots if you have received two. Ballot counters are meticulous at checking the validity of each returned ballot.

If you have not received a ballot, please call the Surfside Business Office at (360) 665-4171.

We want all members to have the time to receive, complete and return their ballots. We anticipate that members should receive their ballots by the end of this week.

THEREFORE, we have **EXTENDED** the deadline for all completed ballots to be returned. **The NEW DEADLINE is WEDNESDAY, DECEMBER 31** (postmarked or dropped off to the Surfside Business Office).

Thank you, and again our sincere apologies.

2026 HOA Membership Dues and Assessments

All members should have received their printed statement from AMS as well as an emailed statement.

Just to clarify some confusion. The due date for Membership Dues and Assessments is Jan 1, 2026.

Members can still pay at the HOA Office by check or cash, no charge. For Debit or Credit Cards we have to charge a 3.5% Fee.

If you are unable to make a full payment by February 27th, please see office staff and fill out a Payment Plan for 2026.

Office Hours are Monday—Friday from 8:30am-4pm

Thank you!

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office. **The plans MUST be submitted by Friday at noon to be added to the next week's agenda.** The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office.

Please notify the business office if you want to attend the meeting in person.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.
