Surfside Water Department Water System Update

SHOA participated in a special purpose investigation with the Department of Health, October 31, 2025 as required.

With recommendations from the Department of Health, we will increase chlorination and system flushing.

We are required to collect two sets of 5 samples, sampling will begin next week. Following the increase of chlorine and flushing of the system and when samples have returned satisfactory, we will lift the boil water advisory with Department of Health approval.

Once available, we will publish the special purpose investigation results performed by the Department of Health.

Pacific County Emergency Notification System

Surfside utilizes the Pacific County Emergency Notification System to notify members of water main breaks and boil water advisories. You are sent 2 notifications, one alerting you to the boil water advisory and one advising the advisory has been lifted.
