Fostering

We have several cat and dog fostering options available to animal lovers in our community. The type of fostering depends on the time of year and other circumstances.

Kittens and Puppies – Care for and socialize weaned babies until they are big enough to be spayed/neutered and adopted.

Pregnant Cats and Dogs – Give pregnant animals a calm environment to have their babies. Care for mom until babies are weaned.

Under-Socialized Cats and Dogs – Take an animal into your home and work with it to build trust and confidence so the animal is more adoptable.

Cats and Dogs with Medical Needs

Care for a cat or dog recovering from major surgery or illness. Or, provide a loving home for an aged or terminal animal.

The shelter provides everything you need (e.g., food, medical care, bedding, litter) to care for the cat or dog. What we require of you is pretty simple:

- Have a safe and secure environment that is appropriate for that animal.
- Keep your animals current on vaccinations.

Provide weekly updates and immediately report issues to the Shelter or your foster coordinator.

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office (if they have agenda items). **The plans MUST be submitted by Friday at NOON to be added to the next week's agenda.** The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office.

Please notify the business office if you want to attend the meeting in person. If you have any questions for the committee and cannot attend in person, the office can also provide a Zoom link.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.
