Heat can escalate quickly.

Warm temperatures can quickly become dangerous. Heat is one of the most deadly weather hazards — don't underestimate it.

NEVER leave people or pets alone in a closed car

Drink plenty of water, even if you don't feel thirsty

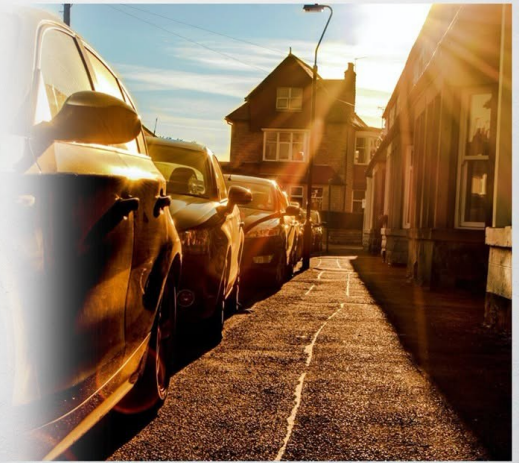

Wear loose-fitting, light-colored clothing

Spend time in air conditioning and in the shade

weather.gov

If you are leaving the peninsula, be careful as there is extreme heat, smoke and humidity across western Washington. Highs will soar into the 90s and some places might even hit 100. Paired with wildfire smoke in the eastern part of the state, heat related illness is a big concern. Please stay safe and cool. Check on your neighbors and take care of pets.

GODSPEED TO MO (MAUREEN) GILBERT

It is with great sadness that we share the news that Mo Gilbert, former Surfside office employee, peacefully passed away on Monday, July 20th in her home surrounded by family. This is a great loss as she was well loved in the community. We send prayers and well wishes to the family in their time of grief.

BUDGET COMMITTEE NEWS

The Surfside 2026 Budget Committee is being formed

All members who wish to be one of the 4 at large voting committee members please submit a cover letter and resume.

The cover letter should describe how their experience would add to the budgeting process and their interest in being involved in the budgeting process for 2027.

Please address your letter to:
Surfside Homeowners Association
Budget Committee Chair
c/o Melissa Watson
31402 H Street
Ocean Park, WA 98640

Or email to Budget Committee Chair, c/o Melissa Watson
mwatson@surfsideonline.com

Responses are due August 7, 2026

Thank you!

The Budget Committee Meetings will all be on Zoom and Surfside members are welcome to participate.

Press Release

OUTDOOR BURNING RESTRICTIONS IN PACIFIC COUNTY

Pacific County will be implementing burning restrictions (Burn Ban) **effective at 12:01 a.m. on Saturday, July 18th, 2026 until further notice.**

The burn ban applies to outdoor debris burning.

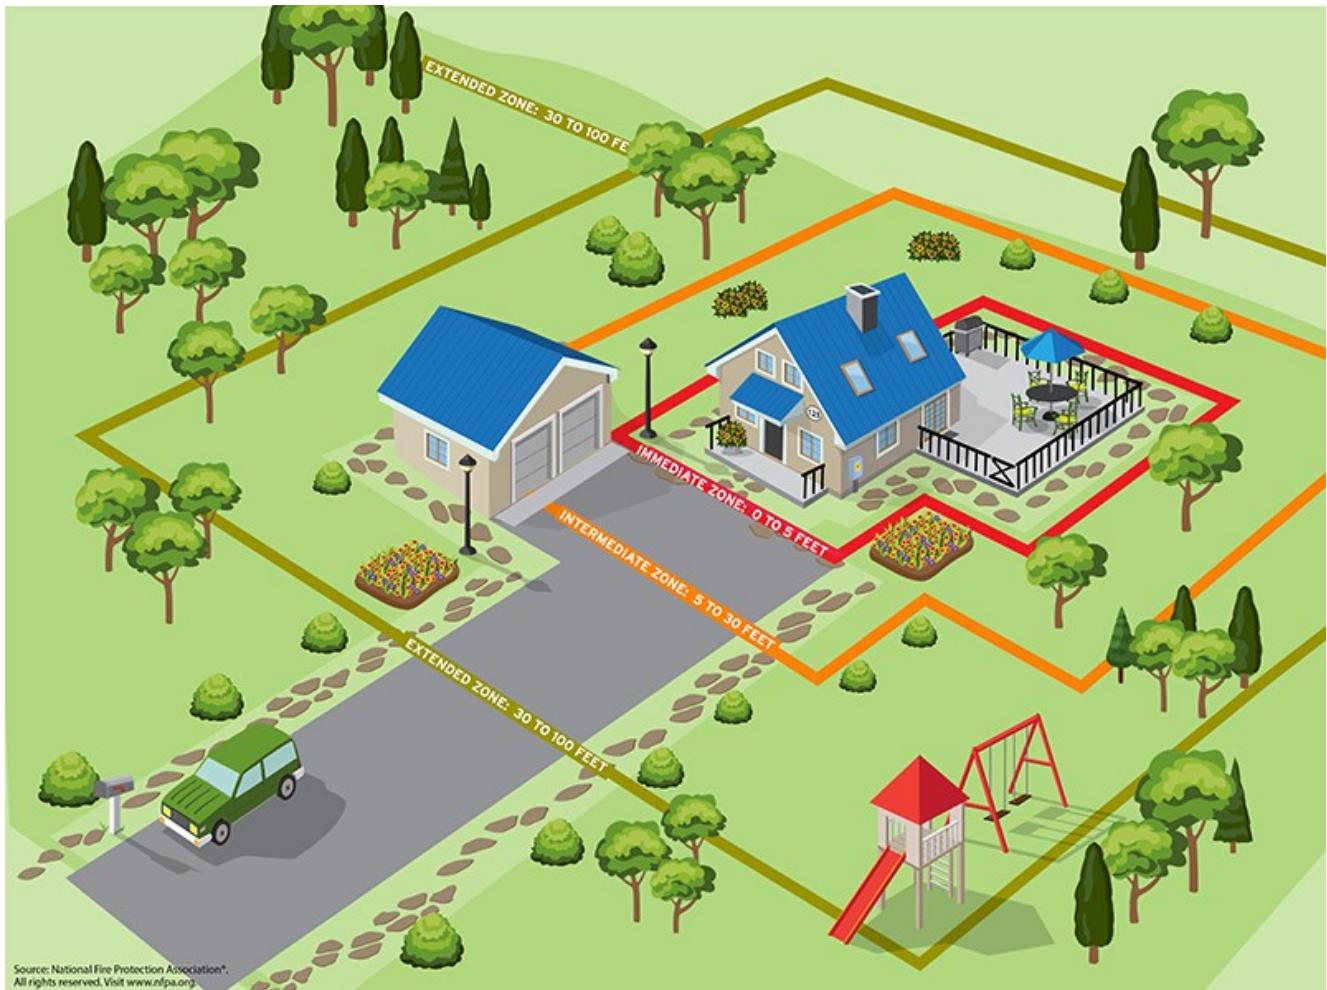

Recreational campfires are allowed if built in improved fire pits in designated campgrounds, such as those typically found in local, county, and state parks and in commercial campgrounds. On private land, recreational fires are permitted when built according to the following regulations:

- Recreational fires must be in a metal, stone, or masonry-lined fire pit such as those in improved campgrounds or available at home and garden stores.
- Size may not exceed 3 feet in diameter by 2 feet in height.
- Fires must be at least 25 feet from a structure or other combustible material and have at least 20 feet of clearance from overhead fuels such as tree limbs, patio covers or carports.
- Fires must be attended at all times by a responsible person at least 16 years old who has the ability and tools to extinguish the fire. Tools include a shovel and either five gallons of water or a connected and charged water hose.
- Portable outdoor fireplaces, also known as patio fireplaces, designed to burn solid wood should not be operated within 15 feet of a structure or combustible material and must always be used in accordance with the manufacturer's instructions.
- Completely extinguish recreational fires by covering them with water or moist soil and stirring with a shovel until all parts are cool to the touch.
- Self-contained camp stoves are a safe and easy alternative to campfires.

Please contact our office for further information at 360-875-9356 for South Bend or 360-642-9382 for Long Beach or visit our website at www.co.pacific.wa.us/dcd/index.htm

Pacific County Emergency Management Agency

Surfside members who signed up for the Pacific County Emergency Notification System, **Hyper-Reach**, should have received a Test from the new Genasys System on Monday, July 13, 26.

Surfside is using the reverse 911 call from Pacific County to alert members of a water main break and a boil water advisory. If you are signed up for Hyper-Reach, your information will automatically get transferred to the new Genasys system and you should have received the test. If you are not yet signed up, then please use the link below to register.

Genasys System Test. - posted on Facebook on 7.13.26

This is the Pacific County Emergency Management Agency conducting a Test of the Genasys Alert Platform. This is only a test. If this were an actual emergency you would be instructed what to do and where to tune for news and official information. This concludes the test.

AT A GLANCE

Age: 4 years, 9 months

Gender: Female,
Spayed

Breed: Mastiff / Mix

Weight: 120 pounds

Days in Shelter: 523

ABOUT BERNIE

Beautiful Mastiff with a big heart

A little shy at first, but her gentle nature and affection shine through once she warms up

Low-drool Mastiff mix – enjoy her company without the mess!

Seeking a low-traffic, adult only home with lots of affection and companionship

Not a fan of other dogs or cats

Thrives with routine and consistency

Big girl. Bigger heart. Total cuddle bug.

Bernie is dreaming of cozy days, belly rubs, and a soft spot to call her own. She is a low-energy gal who prefers to just hang out at home. Bernie is affectionate and happiest being close to her people. Whether it's lounging on the couch, following you from room to room, or resting her head in your lap, Bernie just wants to be near you and feel loved. If you're looking for a gentle giant who will adore you with her whole heart, Bernie is ready to be your snuggle partner for life.

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office (if they have agenda items). **The plans MUST be submitted by Friday at NOON to be added to the next week's agenda.** The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office.

Please notify the business office if you want to attend the meeting in person. If you have any questions for the committee and cannot attend in person, the office can also provide a Zoom link.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.
