Safety Message

We have to keep our neighborhood safe!

You can help. If you see any suspicious activity, please call the **non-emergency** phone number and report it. If you observe activities at a neighbors house that is supposed to be empty, please call 911 and report it.

Help the Sheriff's Office serve you better by creating a call history for problems that happen within this community.

This helps in a couple of ways. Each call is logged and can help the Sheriff's Office recognize trends that they can identify and provide solutions.

If you are going on vacation and would like the Deputy to patrol your house and property, please come in the office and fill out a request form.

In case of an emergency, please call 911

If you like to report an incident that does not require immediate assistance, please call the non-emergency number (360) 642-9397.

Pacific County Emergency Notification System – Genasys

In case of a main break or a boil water advisory, we send out a message via Pacific County's Emergency Notification System. You also receive a notification when the advisory has been lifted. You can sign-up with your cellphone, landline or e-mail. Be sure to check Surfside as the municipality or you will not receive our notifications. Click [here](#) to signup for Pacific County's Genasys Alerts.

Register for emergency alerts at

pacificcountyemalerts.genasys.com/portal

If you signed up for Hyper Reach Alerts, there is not need to do anything, you information should have transferred over.

BUDGET COMMITTEE

If you are interested to join the 2026 Budget Committee, please submit your application with cover letter and resume by tomorrow, Friday, August 7th.

The cover letter should describe how their experience would add to the budgeting process and their interest in being involved in the budgeting process for 2027.

Please address your letter to:
 Surfside Homeowners Association
 Budget Committee Chair
 c/o Melissa Watson
 31402 H Street
 Ocean Park, WA 98640

Or email to Budget Committee Chair, c/o Melissa Watson, mwatson@surfsideonline.com
 The Budget Committee Meetings will all be on Zoom and Surfside members are welcome to participate.

Noxious Weeds and how to control them

The biggest, baddest, and most-nastiest weeds around

Noxious weed species found most frequently in Pacific County

GORSE (*Ulex europaeus*)

Class: B
Control Required

Scotch Broom (*Cytisus scoparius*)

Class: B
Control Required (on R.O.W. only)

Tansy Ragwort (*Senecio jacobaea*)

Class B
Control Required

Control of Scotch Broom and Gorse:

- Mechanical: Pull the weeds
- Systemic Herbicides can be applied to freshly cut stems/stumps or to the leaves and branches
- Avoid spraying when pollinator are present

Scotch Broom is a **poisonous weed for both, humans and pets**. It can have adverse effects on the nervous and circulatory system when ingested. It can cause vomiting, abdominal discomfort, weakness, incoordination, and potentially increased heart rate if ingested.

It is also in invasive species that crowds out native species and negatively impacts wildlife habitat.

Tansy Ragwort is a toxic weed that can cause irreversible damage to pets and humans. If ingested by dogs or cats, it can cause liver damage and even death.

August marks the height of the dry season, which local agencies note as an effective time for manually cutting mature shrubs near ground level. However, care must be taken during August removal not to shake or scatter mature, popping seed pods into uninfested areas.

Disposal of noxious weeds: it can be taken to the Transfer Station off Sandridge Road, either in bags or loose and dropped in the trash area. **DO NOT PUT IN YARD WASTE! AND DO NOT TAKE TO SURFSIDE COMPACTOR OR CHIPPING SITE!**

July 15, 2026

Press Release

OUTDOOR BURNING RESTRICTIONS IN PACIFIC COUNTY

Pacific County will be implementing burning restrictions (Burn Ban) **effective at 12:01 a.m. on Saturday, July 18th, 2026 until further notice.**

The burn ban applies to outdoor debris burning.

Recreational campfires are allowed if built in improved fire pits in designated campgrounds, such as those typically found in local, county, and state parks and in commercial campgrounds. On private land, recreational fires are permitted when built according to the following regulations:

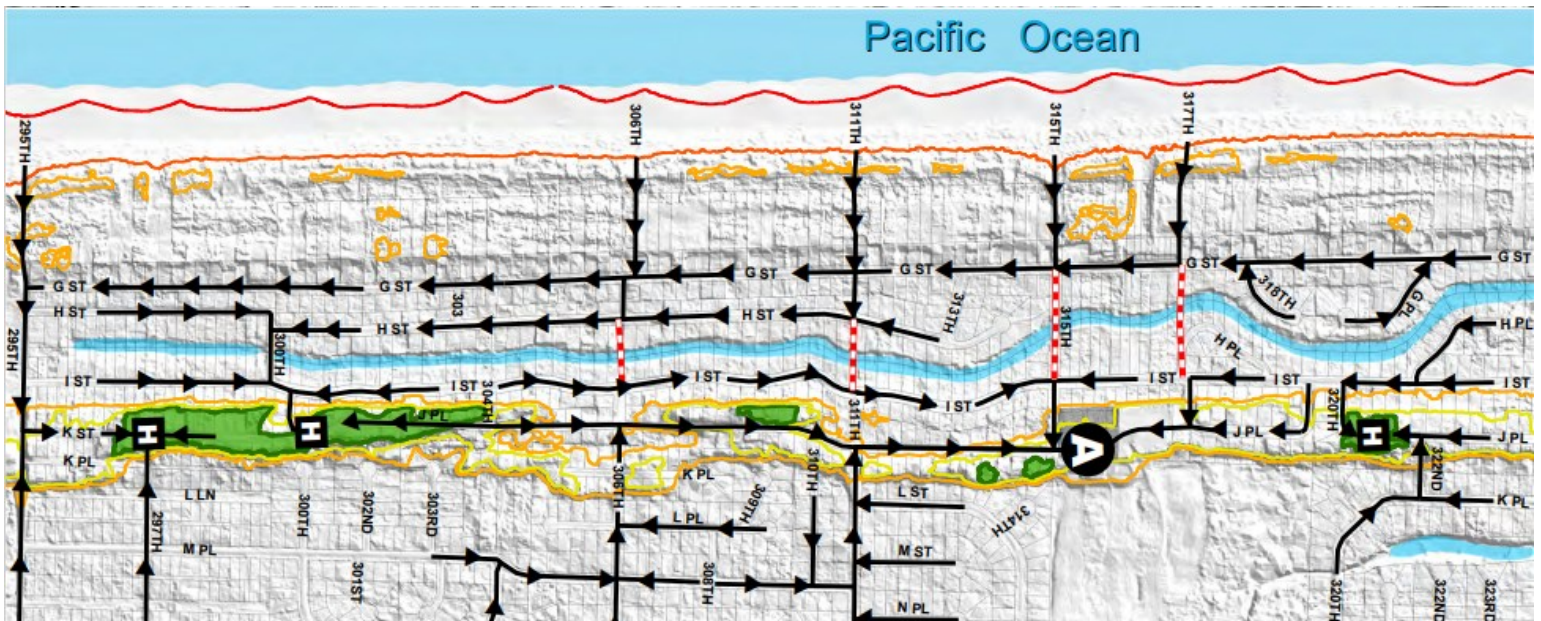

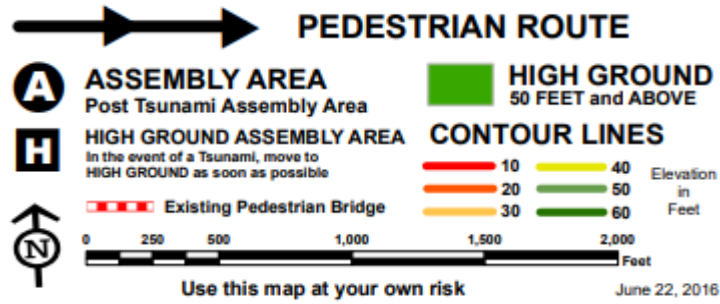

- Recreational fires must be in a metal, stone, or masonry-lined fire pit such as those in improved campgrounds or available at home and garden stores.
- Size may not exceed 3 feet in diameter by 2 feet in height.
- Fires must be at least 25 feet from a structure or other combustible material and have at least 20 feet of clearance from overhead fuels such as tree limbs, patio covers or carports.
- Fires must be attended at all times by a responsible person at least 16 years old who has the ability and tools to extinguish the fire. Tools include a shovel and either five gallons of water or a connected and charged water hose.
- Portable outdoor fireplaces, also known as patio fireplaces, designed to burn solid wood should not be operated within 15 feet of a structure or combustible material and must always be used in accordance with the manufacturer's instructions.
- Completely extinguish recreational fires by covering them with water or moist soil and stirring with a shovel until all parts are cool to the touch.
- Self-contained camp stoves are a safe and easy alternative to campfires.

Please contact our office for further information at 360-875-9356 for South Bend or 360-642-9382 for Long Beach or visit our website at www.co.pacific.wa.us/dcd/index.htm

Preparing Homes for Wildfire

Landscaping and Maintenance: To reduce ember ignitions and fire spread, trim branches that overhang the home, porch and deck and prune large trees (depending on their height) 6 to 10' from the ground. Remove plants containing resins, oils and waxes and replace mulch in the immediate zone of 0 to 5 feet with crushed stone and gravel. Maintain vegetation annually.

2023-2026

Wildfire Prevention Plan

The Surfside Homeowner's Association, Pacific County Fire District #1, and Pacific County Emergency Management Services updated the wildfire management, and prevention plan.

SOUTH PACIFIC COUNTY HUMANE SOCIETY

Community-Funded ♥ Long Beach, WA

Join the South Pacific County Humane Society at the Columbia Pacific Heritage Museum
The Dog Days of Summer - Pets of the Peninsula
Opening Reception—August 8 from 1:00 to 3:00 PM

Celebrate the special bond between people and animals at the opening reception for The Dog Days of Summer—*Pets of the Peninsula* exhibit at the Columbia Pacific Heritage Museum. The South Pacific County Humane Society will be on site with original artwork created by shelter cats and dogs, along with profiles and stories of pets currently waiting for loving homes. Meet members of our team, learn more about the shelter's lifesaving work, and discover ways to adopt, foster, volunteer, or support the animals in our care.

Take home a one-of-a-kind keepsake!

For a donation to the South Pacific County Humane Society, you can receive an original artwork created by one of our talented shelter cats or dogs. Every painting is unique, and every donation helps provide food, shelter, medical care, and love to animals waiting for their forever homes.

Artist: Ronald

Featured Work: *One Lick at a Time*

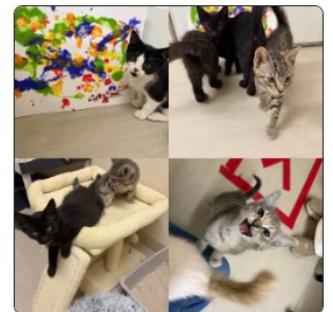

Artistic Statement: Inspiration found with a tennis ball in one paw and a wagging tail. After a productive day in the studio, he's happiest relaxing by his favorite people and dreaming up his next masterpiece.

Artist: The Kitten Collective

Featured Work: *We Are the Chaos!*

Artistic Statement: We may be small but we are full of creativity, imagination, and playfulness. Our inspiration was driven by our boundless energy, the need to explore every option, and our determination to enjoy every moment of the day.

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office (if they have agenda items). **The plans MUST be submitted by Friday at NOON to be added to the next week's agenda.** The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office.

Please notify the business office if you want to attend the meeting in person. If you have any questions for the committee and cannot attend in person, the office can also provide a Zoom link.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.
