THE RIGHT TREE IN THE RIGHT PLACE

Trees provide many benefits—shade, beauty, windbreak, privacy, cleaner air, less noise, less glare, and higher property values, to name a few. But the key to these benefits is to select the right tree and plant it in the right place.

This not only assures a lifetime of satisfaction, but it also keeps maintenance costs low. Select tree species that will fill a particular role or function in your landscape. Then, plant them in the right places that will enable them to fill those functions.

Wrong Trees, Wrong Places

Planting large trees under utility lines can eventually mean mutilated trees as they grow to maturity. Large evergreens close to the house on the south block warming winter sunlight. No trees on the north side of the house can leave it vulnerable to icy winter winds.

Better Choices

Short flowering trees don't clash with overhead utility lines. Large deciduous trees on the southeast, southwest, and west provide cooling shade in summer but don't obstruct the low winter sun. An evergreen windbreak on the north blocks cold winds in winter.

Factors to Consider

The Tree's Purpose will impact the suitability of different tree species, whether used for shade, aesthetic beauty, wind protection, screening, or other purposes.

Size and Location of the tree, including available space for roots and branches, affects the decision on which species to plant. (See chart)

Crown Form or Shape varies among species, including round, oval, columnar, V-shaped, or pyramidal shapes. Consider how the shape of the tree works in the space available.

ATTENTION—BURN BAN

in effect until further notice

building • environmental health • planning

July 15, 2026

Press Release

OUTDOOR BURNING RESTRICTIONS IN PACIFIC COUNTY

Pacific County will be implementing burning restrictions (Burn Ban) **effective at 12:01 a.m. on Saturday, July 18th, 2026 until further notice.**

The burn ban applies to outdoor debris burning.

Recreational campfires are allowed if built in improved fire pits in designated campgrounds, such as those typically found in local, county, and state parks and in commercial campgrounds. On private land, recreational fires are permitted when built according to the following regulations:

- Recreational fires must be in a metal, stone, or masonry-lined fire pit such as those in improved campgrounds or available at home and garden stores.
- Size may not exceed 3 feet in diameter by 2 feet in height.
- Fires must be at least 25 feet from a structure or other combustible material and have at least 20 feet of clearance from overhead fuels such as tree limbs, patio covers or carports.
- Fires must be attended at all times by a responsible person at least 16 years old who has the ability and tools to extinguish the fire. Tools include a shovel and either five gallons of water or a connected and charged water hose.
- Portable outdoor fireplaces, also known as patio fireplaces, designed to burn solid wood should not be operated within 15 feet of a structure or combustible material and must always be used in accordance with the manufacturer's instructions.
- Completely extinguish recreational fires by covering them with water or moist soil and stirring with a shovel until all parts are cool to the touch.
- Self-contained camp stoves are a safe and easy alternative to campfires.

Please contact our office for further information at 360-875-9356 for South Bend or 360-642-9382 for Long Beach or visit our website at www.co.pacific.wa.us/dcd/index.htm

Randy Irwin
Pacific County Community Development
Fire Marshal-Building Official

Preparing Homes for Wildfire

Landscaping and Maintenance: To reduce ember ignitions and fire spread, trim branches that overhang the home, porch and deck and prune large trees (depending on their height) 6 to 10' from the ground. Remove plants containing resins, oils and waxes and replace mulch in the immediate zone of 0 to 5 feet with crushed stone and gravel. Maintain vegetation annually.

2023-2026

Wildfire Prevention Plan

The Surfside Homeowner's Association, Pacific County Fire District #1, and Pacific County Emergency Management Services updated the wildfire management, and prevention plan.

SOUTH PACIFIC COUNTY HUMANE SOCIETY

Community-Funded ♥ Long Beach, WA

Columbia Pacific Heritage Museum

Exhibition: The Dog Days of Summer, Pets of the Peninsula

August 8 - October 31

Open from 10:00 AM to 4:00 PM Wednesday through Saturday & summer Sundays

Artist: Ronald

Featured Work: *One Lick at a Time*

Artistic Statement: Inspiration found with a tennis ball in one paw and a wagging tail. After a productive day in the studio, he's happiest relaxing by his favorite people and dreaming up his next masterpiece.

Artist: The Kitten Collective

Featured Work: *We Are the Chaos!*

Artistic Statement: We may be small but we are full of creativity, imagination, and playfulness. Our inspiration was driven by our boundless energy, the need to explore every option, and our determination to enjoy every moment of the day.

Enzo - Quite the Artist!

Enzo and several shelter dogs and some kitties will have their paintings displayed at the Museum for the entire exhibit. Their picture and their profile will be next to the picture. **For a donation, you can have one of these delightful paintings.**

**PLEASE JOIN OUR NEIGHBORHOOD WATCH

County Peninsula, WA

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office (if they have agenda items). **The plans MUST be submitted by Friday at NOON to be added to the next week's agenda.** The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office.

Please notify the business office if you want to attend the meeting in person. If you have any questions for the committee and cannot attend in person, the office can also provide a Zoom link.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.
