Twenty-five turns of the autumn leaf,
a quarter century of quiet grief,
since morning skies turned pale and cold,
and a fractured world took hold.

The towers fell to hallowed dust,
yet forged in fire was our trust,
in hands that reached through choking gray,
to lift the darkness of the day.

Now twenty-five years softly pass,
like dew upon the morning grass,
we name the lost, we hold the light,
and guide the shadows into night.

Though time may turn and seasons fade,
we honor every choice they made,
and standing firm beneath the sun,
we remember, and we carry on.

One day can change so much. Let's all pause to reflect on the 2,977 innocent lives taken
on September 11, 2001

Recreational Vehicle Use

COVENANT CORNER

2.9a Provisions Applicable to RVs on All Surfside Lots - Recreational vehicles must be registered, licensed, and maintained in a mobile condition at all times, and shall only be used as specified herein.

A temporary Conditional Use Permit for each vehicle to be placed on a platted parcel must be obtained annually at the Association office.

These permits (decals and/or permits) must be prominently displayed and visible from the street.

2.9a.1 Conditional Use Permits shall be issued as follows: Summer occupancy, from March 15 through October 31, of a recreational vehicle is permitted as a temporary vacation/short term dwelling. It must display a current motor vehicle license and meet all health codes for temporary recreational use. One-time registration at the Surfside business office is required at the first visit each summer. A summer occupancy Conditional Use Permit OR a numbered registration decal will be issued. These shall be placed as stated in 2.9a above.

Winter occupancy, from November 1, through March 14, of a recreational vehicle is permitted as a temporary vacation/short term dwelling. It must display a current motor vehicle license and meet all health codes for temporary recreational use. **During winter visits, recreational vehicles must be occupied. Short term permits shall be issued from the Surfside business office for periods up to 21 days, not to exceed 60 days total, and shall be placed as stated in 2.9a above.**

1.3-"Recreational Vehicle" (RV) shall mean a vehicular type of portable structure without permanent foundation, which can be towed, hauled, or driven and is primarily designed as temporary living accommodation for recreational, camping and travel use and includes, but is not limited to, travel trailers, truck campers, camping trailers, and self-propelled motor homes. RV also includes boats and boat trailers. RV's must be licensed full time for road travel and must be in movable condition within one (1) hour.

To read more about the RV Covenants click [HERE](#)

Summer RV Season Ends October 31st

- October 31st marks the end of the summer RV season. Unless your lot is exempt per the covenants, RVs must be removed by October 31st.
- In the winter, November 1st to March 14th, you can use a RV winter permit for up to 60 days.
- The winter permit is issued for up to 21 days at a time and **cannot exceed 60 days** total.
- While using a winter permit **you must be actively occupying the RV**, meaning you must be in it each night. No full-time RV residency is allowed.
- If you need a winter permit call or visit the office.

Firewise Chipping Site

**The chipping site is closed for the season.
Everything has been chipped and mulch is available to
Surfside members for pick up.**

Deliveries are currently NOT available.

**The fence will be removed in
approx. 1–2 weeks.
Please feel free to pick up mulch
yourself.**

**If you still have brush, branches or stumps on your property and
need to dispose of them, please take it to the Transfer Station.**

Peninsula Sanitation Service—Transfer Station Rates

All loads must be secured when hauled .

All loads above the minimum weight are prorated and charged accordingly.

Wood (Unpainted & Untreated) & Brush: \$103.21 per ton

Minimum of 500 lbs: \$25.21

[For all other disposal rates, please click here.](#)

2026 Tsunami Walk / Run

Thank you for participating! It was a successful and fun event with information shared on the emergency preparedness and the **SEAS** (Surfside Emergency Action Station) Container

September is National Preparedness Month—Americans Stand Ready

Throughout the month of September, the Ready Campaign will share easy, affordable steps to take to stand ready, no matter what comes. Tips include:

- **Be in the know.** Make sure you know where to get information when you need it most. Download the [FEMA App](#) to get emergency safety alerts and resources.
- **Make a plan** to keep you and your family safe and prepared. The plan should include emergency contact information, emergency meeting places and medical information.
- **Build a kit** with the essential items your family needs to stay safe and comfortable if something happens.

Be there for your community. From volunteering in your community to learning skills like first aid and CPR, you can take steps to prepare for disasters and keep your family safe and make your neighborhood and community more resilient. Take a training course through [FEMA's Training and Education Program](#), the [American Red Cross](#), or your local emergency management agency to build or gain skills to protect yourself, family, friends and community.

For more information, check out the website: [Ready.gov](https://www.ready.gov)

A Note from the Compliance Officer

Hello Everyone!

I hope you have all had a fantastic summer. I wanted to touch base about dogs and leashes.

Please keep your dogs on leashes while walking them within Surfside. Dogs walking in the street can be dangerous for the dogs and other people walking toward you with their dogs. The majority of our community is over the age of 60 and it doesn't take much for a dog to knock someone over.

I have had numerous phone calls about off-leash dogs being either aggressive or overly friendly when approaching other dogs. Remember, not all dogs are friendly and some have anxiety so when a bigger dog approaches them to say hello, not only can the dog get scared but so does the owner.

Off-leash dogs can be a particular problem on the beach. Owners don't seem to realize just how far their dogs will roam to go "visit" other people and their dogs. If you don't have reliable recall, your dog shouldn't be off-leash.

Please help keep your dogs and your neighbors safe, please keep your dogs leashed.

Happy Fall!

Holli Kemmer
Compliance Officer
Surfside HOA

HAZARDOUS HOUSEHOLD WASTE—ENDING SOON**FREE DROP-OFF AT HHW FACILITY IN LONG BEACH**

**EVERY 1st & 3rd FRIDAY / MAY—SEPTEMBER, 9 am—12 pm
318 N. 2nd Street—next to Humane Society, Long Beach**

Visit website for more information: [Household Toxics](#)

WATER TURN ON/OFF

The Surfside Water Department is happy to either turn your water on or shut it off, between the hours of 8am to 3:30pm, Monday-Friday. Please remember to call the business office ahead of time during normal business hours and we can make a work order to have this service done for you at no charge.

[The fee for after hours service is \\$100](#)

The after hours phone number for the Water Department is for water emergencies only!

ATTENTION—BURN BAN

Pacific County has an active outdoor burn ban implemented starting July 18, 2026, alongside a statewide emergency burn ban from the governor through September 30, 2026

building • environmental health • planning

July 15, 2026

Press Release

OUTDOOR BURNING RESTRICTIONS IN PACIFIC COUNTY

Pacific County will be implementing burning restrictions (Burn Ban) **effective at 12:01 a.m. on Saturday, July 18th, 2026 until further notice.**

The burn ban applies to outdoor debris burning.

Recreational campfires are allowed if built in improved fire pits in designated campgrounds, such as those typically found in local, county, and state parks and in commercial campgrounds. On private land, recreational fires are permitted when built according to the following regulations:

- Recreational fires must be in a metal, stone, or masonry-lined fire pit such as those in improved campgrounds or available at home and garden stores.
- Size may not exceed 3 feet in diameter by 2 feet in height.
- Fires must be at least 25 feet from a structure or other combustible material and have at least 20 feet of clearance from overhead fuels such as tree limbs, patio covers or carports.
- Fires must be attended at all times by a responsible person at least 16 years old who has the ability and tools to extinguish the fire. Tools include a shovel and either five gallons of water or a connected and charged water hose.
- Portable outdoor fireplaces, also known as patio fireplaces, designed to burn solid wood should not be operated within 15 feet of a structure or combustible material and must always be used in accordance with the manufacturer's instructions.
- Completely extinguish recreational fires by covering them with water or moist soil and stirring with a shovel until all parts are cool to the touch.
- Self-contained camp stoves are a safe and easy alternative to campfires.

Please contact our office for further information at 360-875-9356 for South Bend or 360-642-9382 for Long Beach or visit our website at www.co.pacific.wa.us/dcd/index.htm

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office (if they have agenda items). **The plans MUST be submitted by Friday at NOON to be added to the next week's agenda.** The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office.

Please notify the business office if you want to attend the meeting in person. If you have any questions for the committee and cannot attend in person, the office can also provide a Zoom link.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.
