A Note From The Compliance Officer

Hello Everyone and Welcome to Fall!

As we settle into Fall I just wanted to touch on a few topics that have come up recently.

Dogs - Please keep your pets leashed while walking them. We have plenty of people in Surfside that a dog can easily knock down, even when your dog is trying to just say hello.

Phone calls/messages - When you leave a message and request a call back, please make sure you've set up your voicemail. I can't leave you a message if you don't have that set up. You can also email me at compliance@surfsideonline.org

Seasonal RV lots - Just a reminder that RV's need to be removed from your lots by October 31st.

Year-round RV lots - RV's can stay on the lot year-round but may not be lived in on a continual basis.

House Numbers & Address signage for RV lots - Per the CCR's your home and vacant lots need to have address signage. Every lot in Surfside is obligated to have an address. The Fire Department has signage for sale and will install it for you, forms are available in the office.

Tree Violations, Weed violations, Brush Violations - Don't forget to contact us when you have remedied your violation so we can put you on the inspection list. If you remove a tree, please cut the stump off at the ground.

Correct Contact Information—we cannot stress enough how important it is to have correct and up to date contact information on file with the office

If you have any questions or concerns please reach out! Compliance@surfsideonline.org

Thank you, Holli

Winter RV Season Starts November 1st

- October 31st marks the end of the summer RV season. Unless your lot is exempt per the covenants, RVs must be removed by October 31st.
- In the winter, November 1st to March 14th, you can use a RV winter permit for up to 60 days.
- The winter permit is issued for up to 21 days at a time and **cannot exceed 60 days** total.
- While using a winter permit **you must be actively occupying the RV**, meaning you must stay in it each night.
- No full-time RV residency is allowed.
- If you need a winter permit call or visit the office.
- Our RV Storage Lot is currently full, but you can call the office and add your name to the waiting list.
- Fines start at **\$25 a day for the first 30 days**, then go to **\$75 a day beginning on the 31st day**.

Life Safety Project – Address Signs Pacific County Fire District 1

**IF YOU HAVE AN
EMERGENCY
CAN WE FIND
YOU?**

Order an address post or sign today from Pacific County Fire District 1. Reflective signs make it easier for emergency personnel to locate your home.

PACIFIC COUNTY FIRE DISTRICT 1

INVEST IN YOUR OWN SAFETY

In an emergency, every second counts, and valuable time can be lost if your address number is not immediately visible to responders. These signs have high visibility and the four inch reflective numbers can be seen from up to 300 feet away, day or night.

Form is available online or at the HOA Office. Please fill it out and mail a check and the Fire Department will place the sign for you.

For more information, follow this link:

pcfd1.org

Firewise Chipping Site

**The chipping site is closed for the season.
Mulch is available to Surfside members for pick up.
There is a pile of mulch on the outside of the chain.
DO NOT DRIVE AROUND THE CHAIN WITHOUT PERMISSION!
THAT IS CONSIDERED TRESPASSING!**

**You can also call the HOA Office and schedule a delivery of a full load.
The HOA Water Department offers free deliveries to HOA members every Monday.
A full load is 5 cu yards.**

If you would like to pick up a load with your own pick-up, please contact us and our Water Department can assist with the loading.

This service is also available Mondays only.

**Please contact the office at 360.665.4171
or email office@surfsideonline.org**

**PACIFIC COUNTY
EMERGENCY
MANAGEMENT**

Pacific County Emergency Management informs:

What to do when you encounter a Black Bear

Bears visit neighborhoods looking for easy calories. Securing your yard keeps bears wild and prevents property fines under Washington law.

- **Garbage:** Store trash cans inside a garage or sturdy shed until the morning of pickup. Clean cans using bleach or ammonia to mask food smells.
- **Bird Feeders:** Take down seed, suet, and hummingbird feeders during active bear months, or leave them down year-round.
- **Fruit Trees:** Pick ripe fruit promptly and clean up fallen apples or berries from the ground.
- **Pets and Grills:** Feed pets indoors and clean barbecue grills thoroughly after every use.
- **Livestock:** Keep chickens and small livestock in fully enclosed, roofed pens, ideally protected by electric fencing.

What to Do During an Encounter

Most black bears want to avoid humans and will leave if given space.

- **Do Not Run:** Running can trigger a chase instinct, and black bears run much faster than humans.
- **Stand Tall:** Make yourself look big by raising your arms or standing on a higher surface. Talk calmly in a firm, low voice.
- **Haze the Bear:** If the bear approaches or lingers, make loud noises like yelling, clapping, or banging pots to scare it away.
- **Use Bear Spray:** If a bear comes within 20 to 30 feet and acts aggressively, spray bear spray directly at its face.
- **Fight Back if Attacked:** In the rare event of a physical attack, fight back aggressively with any available object. Do not play dead.

Who to Call

- Report non-emergency neighborhood sightings to the Washington Department of Fish and Wildlife (WDFW).
- Call 911 immediately if a bear poses an immediate danger to human safety.
- Explore safety tips and rules from the Washington Department of Fish and Wildlife.
- Read the legal guidelines on feeding wildlife from WDFW Medium.

A Simple Blueprint for a Healthier Fall in the Pacific NW

As summer bows out and fall's splendid hues paint the Pacific Northwest, it's time to embrace the beauty and prepare for the seasonal shifts. To ensure your well-being remains intact during this transition, here's a detailed yet simple guide with essential health tips to thrive in the Pacific NW's fall.

1. Dress Right for Changing Weather

The Pacific NW's fall weather can change suddenly. Stay cozy and dry by wearing layers. Start with a snug moisture-wicking base layer, add a warm insulating layer, and finish with waterproof outerwear. This adaptable approach keeps you comfortable amid temperature swings and rain surprises.

2. Boost Your Immunity with Good Food

To stay strong, fill your plate with colorful fruits and vegetables, along with lean proteins like chicken or beans. If the cloudy skies reduce your sunlight exposure, consider vitamin D supplements to keep your immune system in top form.

3. Stay Active Indoors

Rainy days are no match for your exercise routine. Shift your activities indoors to local gyms or community centers. Join fitness classes or try yoga to keep your body moving and energy levels high.

4. Taste the Season's Bounty

Fall is a feast for the taste buds. Enjoy hearty squashes, crisp apples, and dark leafy greens. Select whole foods to nourish your body and relish the unique flavors of the season.

5. Nurture Your Mind and Heart

Gray skies can impact your mood. Combat the blues by practicing mindfulness – take a few minutes to relax and clear your mind. Stay socially connected by spending quality time with friends and family to boost your emotional well-being.

6. Keep Hydrated, Rain or Shine

Although temperatures drop, hydration remains crucial. Carry a refillable water bottle and sip water regularly to stay hydrated, support bodily functions, and maintain your energy levels.

7. Defend Against the Flu

Fall marks the arrival of flu season. Protect yourself by getting a flu shot and washing your hands frequently. Simple steps like these can help you stay healthy and avoid illness.

8. Explorations Outdoors

Enjoy fall's splendor through outdoor activities like hikes and nature walks. Dress in layers to stay warm and check the weather forecast before heading out to ensure a safe and enjoyable adventure.

9. Prioritize Restful Sleep

Adjusting to changing daylight hours is essential for quality sleep. Create a cozy sleep environment – keep your bedroom cool, dark, and quiet. Stick to a consistent sleep schedule to ensure you wake up refreshed.

10. Prepare for the Unexpected

Fall storms can bring power outages. Be ready with emergency supplies like non-perishable food, flashlights, and batteries to weather any unforeseen events.

With these straightforward health tips, you're well-equipped to embrace the wonders of fall in the Pacific Northwest. By staying active, eating well, nurturing your mental well-being, and being prepared, you'll not only navigate this vibrant season successfully but also revel in its unique charm and delights.

Washington Department of
FISH & WILDLIFE

WDFW announces 40 tentative days of coastal razor clam digging opportunities beginning Oct. 9

"The razor clam season is right around the corner, and we're excited to announce another fall schedule of harvest dates," said Bryce Blumenthal, a WDFW coastal shellfish biologist. "Long Beach and Twin Harbors populations remain strong and should allow for similar amounts of harvest to previous years."

All beach openings are dependent on final approval of marine toxin testing, which usually occurs about a week or less before the start of each digging series. Before a beach can open for digging, the Washington State Department of Health (DOH) requires two test samples seven to 10 days apart and domoic acid levels under the guideline level.

On all open beaches the daily limit is 15 clams per person. Each digger's clams must be kept in a separate container, and all diggers must keep the first 15 clams they dig, regardless of size or condition. "It's important that diggers keep the clams they dig to prevent wastage (includes discarding small clams, clam with broken shells or reburying unwanted clams)," Blumenthal said. "It's not unusual to encounter some small clams, especially this early in the season."

Tentative dates during late afternoon/evening (noon to midnight only) low tides:

- Oct. 9, Friday; 6:23 p.m.; 0.1 feet; Long Beach, Twin Harbors, Mocrocks
- Oct. 10, Saturday; 7:02 p.m.; -0.3 feet; Long Beach, Twin Harbors, Mocrocks
- Oct. 11, Sunday; 7:39 p.m.; -0.6 feet; Long Beach, Twin Harbors, Copalis
- Oct. 12, Monday; 8:15 p.m.; -0.6 feet; Long Beach, Twin Harbors, Copalis
- Oct. 13, Tuesday; 8:52 p.m.; -0.4 feet; Long Beach, Twin Harbors, Mocrocks
- Oct. 14, Wednesday; 9:32 p.m.; -0.1 feet; Long Beach, Twin Harbors
- Oct. 24, Saturday; 5:58 p.m.; 0.1 feet; Long Beach, Twin Harbors, Copalis
- Oct. 25, Sunday; 6:37 p.m.; -0.7 feet; Long Beach, Twin Harbors, Mocrocks
- Oct. 26, Monday; 7:18 p.m.; -1.2 feet; Long Beach, Twin Harbors, Mocrocks
- Oct. 27, Tuesday; 8:01 p.m.; -1.5 feet; Long Beach, Twin Harbors, Copalis
- Oct. 28, Wednesday; 8:47 p.m.; -1.5 feet; Long Beach, Twin Harbors, Copalis
- Oct. 29, Thursday; 9:38 p.m.; -1.2 feet; Long Beach, Twin Harbors, Mocrocks
- Oct. 30, Friday; 10:34 p.m.; -0.7 feet; Long Beach, Twin Harbors

BURN BAN HAS BEEN LIFTED

Temporary outdoor burning restrictions for unincorporated areas of Pacific County lift on
Thursday, October 1, 2026 at 12:01 am

BUILDING • ENVIRONMENTAL HEALTH • PLANNING

FOR IMMEDIATE RELEASE

September 29, 2026

Temporary outdoor burning restrictions for unincorporated areas of Pacific County will be lifted Thursday, October 1st, 2026 at 12:01 a.m.

Residents are reminded that lifting the seasonal burning restrictions does not eliminate normal outdoor burning requirements. All outdoor fires must be attended until completely extinguished, and an adequate means of extinguishing the fire must be readily available. Burning should not be conducted during high winds or other conditions that could cause a fire to escape.

Only natural vegetation and other materials permitted by applicable outdoor burning regulation may be burned. Garbage, construction debris, plastics, and other prohibited materials may not be burned.

The lifting of Pacific County's temporary burning restrictions applies to **unincorporated areas under Pacific County jurisdiction**. Other jurisdictions or land management agencies may establish separate burning restrictions for lands under their authority.

For any questions regarding outdoor burning requirements in unincorporated Pacific County, please contact your local fire department or Pacific County Community Development.

To contact our office please call **360-642-9382** for Long Beach; or **360-875-9356** for South Bend.

ARCHITECTURAL COMMITTEE

Plan on installing a fence, a shed, a gazebo or building a garage or a house?

REMINDER...

ALL building plans must be submitted to the Architectural Committee prior to any construction.

Pacific County will not approve permitting until the committee has signed off on all plans.

The committee meets every Tuesdays at 9 a.m. at the business office (if they have agenda items). **The plans MUST be submitted by Thursday at NOON to be added to the next week's agenda.** The building packets are on our website at surfsideonline.org/forms/ or you can pick them up from the business office.

Please notify the business office if you want to attend the meeting in person. If you have any questions for the committee and cannot attend in person, the office can also provide a Zoom link.

If you are building on a vacant lot without an address, please post a sign so the committee knows which lot will be developed.

Two (2) sets of plot plans must be submitted to the committee. Once approved, you will get a copy of the approved plan. Take it to the county for their approval as needed. Surfside will retain one set of approved plans to keep on file.

For more detailed information on the Architectural Committee duties and guidelines go to our website surfsideonline.org, select the Other tab, then Governing Documents. Download the Operations Manual and the Surfside Restrictive Covenants or call the business office 360-665-4171 with questions.

Thank you!
